CONGRATULATIONS, your school is a recipient of the newly released FLDOE 2024-25 Florida School Recognition Program (A+ Funds) Award!

Award Use

The staff and School Advisory Council (SAC) at each recognized school decides how to use the financial award. Florida Statute 1008.36 states, schools must use their awards for any or a combination of the following:

- *nonrecurring faculty and staff bonuses;*
- *nonrecurring expenditures for educational equipment and materials; or*
- *temporary personnel.*

Award Amounts

When compensation is paid to an employee, the employer incurs costs for payroll taxes and other fringe benefits. On Attachment 2, each school's total award is reduced by 8.87% for fringe benefits on bonus payments. If schools do not utilize the entire allocation for bonus payments, a "fringe refund" will be provided for the benefits that were not used for non-salary bonuses. Note: In your proposals, include a statement on the ballot to

specify the use of any leftover funds. Those funds should be allocated to nonrecurring expenditures for educational equipment and materials.

Process Deadline

Per Florida Statute, if school staff and SAC cannot reach an agreement on the use of the award by February 1, the award must be equally distributed to all classroom teachers currently teaching in the school (1008.36, F.S).
