**WHO DO.**™

# ATTENTION PARENTS

It is your responsibility to monitor your child's use of the laptop.

- The computer's history can and will be monitored by the district to ensure the computer is being properly used
- Our computers safety and firewall features only function at our school through our internet connection

# Parents

- Arrange for the safe transport of the laptop to and from school
  - Laptop should remain in a backpack until home
- Ensure that the student brings the laptop to school each day, fully charged
  - Power supplies will be provided
- Use laptops only for school assignments and school work
- Do not load any software on the laptop when away from the school
- Return the laptop to Pembroke Lakes Elementary at the end of the school year/ or if student leaves to go to another school, including a school within BCPS
- Do not sell, trade, loan, or pawn the laptop
  - Computrace will be used to track the computer by the police department
- Report immediately to the teacher if the computer is lost, stolen or damaged
  - Timing is critical to computer recovery
