

Annabel C. Perry Pre K-8 Family and Community:

I am humbled and honored to be principal of Annabel C. Perry Pre K-8. I look forward with great anticipation to working with such a dedicated group of students, staff, and community. The goal of Annabel C. Perry Pre K-8 is to provide every student with a world-class education as we continue to introduce new initiatives and programs that will support ALL students. Annabel C. Perry will continue finding ways to improve on its achievements and academic success; however, we cannot do it alone. Our greatest strengths are the relationships we build with our students, families, and community. This partnership is one of the most important factors of student success and building life-long learners. As a result, we are working daily to create "A Culture of Caring" for our students and becoming a hub of our community. Evidence of this will be demonstrated throughout the year as we host events that will allow our families to connect as a school community.

My commitment as principal is to ensure every student at Annabel C. Perry Pre K-8 is surrounded and supported with nothing but caring professionals who are dedicated to excellence. As Annabel C. Perry continues to prepare students to compete in a global society, I encourage you to get involved. You can follow our journey on Twitter (@Annabel_C_Perry.)
