Dear Parents/Guardians:

The end of the school year is fast approaching. As our students prepare for summertime fun and beach activities, they also need to stock up on good reading. We are pleased to provide your child with an opportunity to continue the “reading habit” over the summer.

Silver Trail Middle School’s mission is to produce avid readers who are well-prepared for success in high school. This year students will have the option to select one of two options from the 2021 Summer Reading activities indicated below. Please note that our 2021 Summer Reading opportunity is optional.

## [Option 1: iReady Reading Lessons](#)

Students will receive 10 teacher assigned lesson in iReady. Students will view five lessons at a time. Each student will be provided a Summer Reading Log to keep track of lessons completed. ELA teachers will average the 5 highest lessons as the summer reading grade. **All reading lessons must be completed by July 31<sup>st</sup>. iReady will not be available to students after July 31<sup>st</sup>.** Additional information about the iReady 2021 Summer Reading option is attached.

## [Option 2: Independent Novel Study](#)

Students can select a novel of choice from the grade level specific list attached. After reading the novel, students can log onto the STMS Media Canvas page to complete the quiz for the novel. Once your child has taken the quiz, he/she must take a picture of their score to upload to the ELA teacher in the fall. **Quizzes for the independent novel study must be completed by August 20<sup>th</sup>.** Directions on how to access the quizzes on the STMS Media Canvas page are attached.

Thank you for your support and cooperation in your child’s academic career. If you have any questions or concerns, please contact me at 754-323-4300 or send me an email [Tawanda.Carter@browardschools.com](mailto:Tawanda.Carter@browardschools.com).

Sincerely,
