Dear Parents and Guardians:

The end of the school year is fast approaching. As our students prepare for summertime fun and vacation, they also need to continue good reading habits. We are pleased to provide your child with an opportunity to continue practicing skills that strengthen their reading abilities.

The STMS summer reading program will be available through Khan Academy. Our summer reading program is **OPTIONAL** and is strictly for enrichment purposes. Khan Academy lessons provide students with ELA practice and instruction covering reading comprehension and vocabulary, around various topics. Each reading unit contains videos and practice questions—videos are for tutorial purposes only.
