

Kudos to our students, staff and parents for a productive first quarter of the school year! We were excited to recently welcome 130 of our boys and girls back onto campus! I want to thank our families for trusting us with providing a safe and healthy in-person learning experience for these students. Special thanks to our staff who have worked tirelessly to be ready for their return. For me, it has been rewarding to see our students' excitement for their eLearning – whether on campus or remotely. I cannot wait for the day when we can have ALL our Panthers on campus and return to our normal school routines!

On behalf of our staff, we are so thankful for the excellent partnership we have with our families! Many of you have also taken time to recognize the efforts of our teachers and staff. The kind words and appreciation mean so much to us during these unprecedented times. Additionally, we value your feedback as part of our continuous improvement process. Please contact myself or the staff if we can do anything to enhance your child's eLearning experience.

Please remember to visit your child's Canvas page and stay informed by visiting our school website for the most updated information. We look forward to staying connected during the time of eLearning and hope that it won't too much longer before we see our Panthers return to PLE!

Educationally yours,

Susan F. Sasse
Principal
