

**PINES LAKES ELEMENTARY SCHOOL
INSTRUCTION DURING STUDENT QUARANTINE:**

This message is intended for the parent of a student quarantined due to a confirmed positive case or close contact:

- Teachers will notify parents & students on how to access their work, submit completed assignments, and how to access the Teams link for the whole group instruction times.
- The student will have access to teacher-led, whole group instruction during the class/course time; including visual and audio access to the live instruction.
- This is a one-way feed to the students.
- Students who need quick support on specific assignments can utilize the Ask BRIA instructor available to quarantined students from 9 a.m. – 2 p.m. daily. Students can access Ask BRIA through links on Clever or Canvas.
- Students who participate in class instruction via the steps listed above will be counted as present in school for the day.
- Should your child need a laptop signed out for the days they are quarantined, please contact school between the hours of 7:30-2:30 at 754-323-7100.
- For questions about your child's quarantine period or specifics regarding their clearance to return, please contact our school nurse at 754-323-7100.
- For questions about your child's assignments, please contact their teacher.

Guidance for parents while students are under quarantine can be found at:
