Partnerships between parents, educators and children enhance children's success. We know that children learn more and have better lives when everyone in the school community works together. Your contribution, whether it is your time, knowledge or resources make a difference. Also, collecting Box Tops shows your child that you are interested in their education and in their school.

We are always looking for help in implementing what we have planned. Our goal is to create a presence everyday at PLE and be a collective force for our children. We are also available via email at pantherprideple@yahoo.com. Please allow at least 24 hours for a response.

Please join our PTA and consider volunteering or coming out to support our activities throughout the year. With your help, it will be a PAWsome year!
