Mrs. K. Daniel—Principal

Mrs. D. Milner—Assistant Principal

Fourth Edition- May 4, 2020

## A RETIREMENT MESSAGE FROM MRS. WELLS

Mrs. Daniel, Mrs. Milner, Pinewood faculty and staff and the wonderful students and families of Pinewood Elementary: I never thought way back in January of 1994 when I transferred from Floranada Elementary to Pinewood Elementary (a job I took so I could work the same days as my 3 children were in school) that this would end up being my career and ultimately my other family. Fast forward 26 years, I am retiring...I am saying goodbye. It's bittersweet you know. What with the quarantine and distance learning there are no hugs or tearful goodbyes (perhaps THAT is a good thing). I have worked under 4 principals, each making Pinewood become a better school than the last, worked with more teachers than I can count and have held numerous positions...facilitating the Computer Lab for many years being my personal favorite along with working with our special needs children and the last 4 years having the privilege of working with our little ones and a great group of ladies in our PreK department. What else could I ask for? What a wonderful way to finish up my career! I have made friendships that will continue even after I leave the school and I am blessed, mostly due to social media, to be able to remain in contact with colleagues and former students whom are all grownup with children of their own. I have been told i made a difference in some children's lives...I would like to think that that was true. So to my Pinewood family I say goodbye, I have wonderful and cherished memories and I thank you for that. And to the students of Pinewood, past and present, you will always hold a special place in my heart.

I will miss you all....

Debbie Wells
