Aiming For Perfection To Maintain Our "A"!

I. Welcome and Introduction

Co-Chairs - Ms. Joelle Scott and Ms. Larissa McDonald started the meeting at 6:09 pm.

II. Approval of Minutes

Ms. Scott read the December minutes. A motion was made to approve the minutes by Ms. Odom
Ms. Jordan 2nd the motion.

III. Administration Update

Principal- Ms. Josianne Valme gave the following updates:

School Improvement Plan Update

Budget: There is \$12,621.00 in our accountability funds. We have this money to spend. The membership must vote on how to spend the funds.

Survey: Our annual customer services survey needs to be completed, so that we can make changes if necessary based on the outcome of the survey.

Safety: We had to make some safety changes in the parking lot. Please avoid making U-turns in the parking lots. BSO are increasing their presence in the school zones.

The main gate will be closed during most of the day. It will be opened during peak time, such as drop off and dismissal.

Vaccine: We administered the 2nd dose. We were scheduled for January 25, 2022. However, that date was cancelled. We are finish with the process.

Library: We received new shelves. We will have computer stations and Beacon Broadcasting station is using us as a pilot for distance learning. Our teachers can do lessons on the new promethean board.

We cleaned out the moldy books. We will purchase more books and new decorations, so we can make it a rich looking media center

New Positions Posted: 1 bilingual teacher assistant that speaks Spanish

2 speech language pathologists

Events: 100th day in school. We have activities planned

Enrollment: We increased in enrollment 645 from 629

IV. New Business

Ms. Valme made an appeal for two (2) more members that are not Broward County employees, so that our SAC composition will be in compliance.

The following parents volunteered: Michelle McKay, Dianne Jacobs and Javon Sampson. They were accepted as new member. Their contact information was taken to follow up with them and add them to the SAC Composition.

The Assessment Calendar was discussed as follows:

Science Coach - Ms. Lakia Odom Broward County Science Assessment will be administered. Proficient 5th graders will have a dance and money balloon drop as an incentive.

Literacy Coach- Ms. Jasmine Walker -3-5 reading and writing assessments will be given February 9th and 10 Primary's End of the Year Assessment on Mastery Connect. In May it will be a paper-based assessment The teacher will let the parents know their results. We are giving out books.

ESOL Contact, Reading/Math Support-Ms. Sabrina Butler- ACCESS Assessment will be administered for the English Language Learners starting next week until March 19, 2022.

Assistant Principal- Mr. Vinson Jones School safety- Drop off students safely is our main concern. We need our lanes organized. Please pull up around to get more cars in the lane so that the lanes will move faster. We want our lanes to be efficient and safe. We are doing a very good job our code red drills, fire drills and tornado drills.

Report cards have been issued and parents have access to them online.
