

## Access From AT&T

AT&T is offering low-cost wireline home Internet service to qualifying households. This program is designed to expand access to this critical service amongst a vulnerable population.

We offer:

- Discounted internet services

AT&T will assign you the fastest of these speed tiers available where you live:

- 10 megabits per second, for \$10 per month
- 5 megabits per second, for \$10 per month
- 3 megabits per second, for \$5 per month
- 1.5 megabits per second, for \$5 per month
- 768 kilobits per second, for \$5 per month

Service availability and speed may vary by address.

Access from AT&T service includes a Wi-Fi-capable modem or gateway that broadcasts a wireless Wi-Fi signal inside your home, allowing you to extend the reach of your wireline Internet service. You can access this wireless Wi-Fi signal on a variety of devices that are Wi-Fi compatible, including laptops, tablets, smartphones, and many more. AT&T Wi-Fi Basic service is included for Access from AT&T customers at no extra cost. You can connect your Wi-Fi enabled devices away from home, at thousands of AT&T Wi-Fi hotspots nationwide.

In response to the public health crisis, Access from AT&T is temporarily expanding eligibility based on income and to households participating in National School Lunch and Head Start Programs.
