“Physical Activity and Brain Development: How It Impacts Student Achievement”

Wednesday, October 10, 2018  
8:30 A.M.

October 1, 2018

Tamarac Elementary is proud to present our Family Forum.

Parent Forums are a fun and exciting time in which Tamarac Elementary families come together to celebrate learning at all grade levels. Every family is invited to attend. This event is a Title I Public Meeting. Please join us at the Tamarac Elementary Gym to participate in this wonderful event.

This Parent Forum will offer several sessions to parents and their children on a variety of topics. This Forum will focus on how physical activity impacts student achievement.

Refreshments will be provided free of charge to Tamarac Elementary School students and their immediate families.

To assist us in planning for the event, please complete the bottom portion and return the form to school with your eldest child by Monday, October 9, 2018 to reserve your seat for the sessions and refreshments. Only one form per family needs to be returned. An event schedule and refreshments reservation will be provided after you have registered.
