SENIOR PRIVILEGE OPTION

According to our records, you are currently a junior with:

- Excellent academic standing
- A minimum of 14.5 earned credits
- ELA and Algebra 1 EOC Testing Requirements met
- A weighted GPA of 3.25 or above
- No major discipline incidents

Because of the stated reasons above, you are being offered the "Senior Privilege Option" for the 2023-2024 school year.

Under this option, you may select 7 courses on your course selection card and drop the Study Hall period. The privilege will either fall in period 4 or 8, depending on whether it is on an A or a B day. This means you may leave after the "third" period of that day without signing in/out through Student Affairs. Your schedule and a laminated pass will serve as proof of Senior Privilege for security purposes to allow your exit from the school.

Please understand the following:

1. **You are responsible for your own transportation.**
2. We cannot guarantee any particular Senior Privilege period nor lunch-time slot.
3. This is only an option; you may choose to take 7 classes plus a study hall period.
4. We will not recalculate GPA's after this school year's registration process ends in order to determine eligibility.
5. YOU MAY **NOT** REMAIN ON CAMPUS FOR THE PERIOD YOU HAVE SENIOR PRIVILEGE.
6. The privilege will be revoked at any time if your status changes.

Please fill out this form and return to it to the Guidance Office by March 10, 2023 if you wish to take advantage of this opportunity. Congratulations on your hard work and on all your accomplishments!
