

Dear Parents, Guardians and Families of Bayview Elementary School,

Bayview "shines" bright - More than 70 families were in attendance for our Kindergarten Round-Up events. Although it was only a snapshot of our school, guests departed with a great idea of how special Bayview Elementary is...and we look forward to our incoming class (Class of 2038!). Also in attendance were families who accepted their VPK seat for the fall. Thank you to the following students/clubs who brought joy and "sunshine" to our visitors; Debate medalists Elizabeth Pastana and Josephine Rossetti, the ORFF Ensemble, Bayview's cheerleaders and all four of our kindergarten classes.

It's time to pass the trophies...Congratulations to the following classes who stand out as the I-Ready superstars for the week: Ms. Cantalupo (Kindergarten), Ms. Winder (Grade 1), Ms. Schendowich (Grade 2), Mrs. Banks (Grade 3), Mrs. Benson (Grade 4) - 100% and Mrs. Witt (Grade 5). These classes had the highest percentage of combined lessons passed in reading and math. Way to Go!

Bayview "builds" character - Please join us! Invitations were sent to selected families for our monthly morning celebration on **Tuesday, February 25th (K-2)** or **Wednesday, February 26th (3-5)**.

This month's character trait is Honesty (Being truthful, trustworthy and sincere).

"Bayview in Motion" Updates from our Spring Soiree Organizers: Ticket sales open on **March 3rd!** We would like to acknowledge The Young Family for the Signature Cocktail Sponsorship, The James' Family for the Bronze Sponsorship, The Ibrahim Family and Team JK Sotheby's/DK3 Construction for the Champagne Wall Sponsors and Double P as the Presenting Sponsor. In addition, as part of our fundraising efforts for Bayview in Motion, we're offering personalized yard signs to celebrate our students! Customize your sign with the student's name, a special message, and the sender's name. Not sure what to write? No worries—choose a General Bayview Sign instead. Imagine the excitement on a student's face when they see their sign proudly displayed in the yard. Parents, grandparents, relatives, neighbors, and friends—your support makes a difference! A portion of the proceeds will go directly toward improving the technology students use at school.

Every minute counts! - We have noted a significant increase in students arriving to school late. Our campus opens at 7:30 and students are welcome to eat breakfast in our cafeteria and/or complete an Accelerated Reader test in the Media Center. The carline gates will be closed at 8:00 a.m. and all tardy students will need to be escorted to the office to receive a late pass.

Help us build momentum, confidence and positive energy into **Spring's F.A.S.T. Testing Days:**

April 2 - State Writing Assessment (Grades 4 and 5)

April 23 - STAR Reading (Grades K and 1)
