

Greetings Wildcat Families!!!

May is here and with it comes testing season. We are excited for our Wildcats to show off their learning and growth. Below are the upcoming test dates:

May 7 *ELA PM3* for students in all grades

May 14 *Math PM3* for students in all grades

May 16 *Civics EOC* for all 7th graders

May 23 *Biology and Science EOCs and Science Summative assessment* for students in all grades

May 29 *Algebra and Geometry EOCs* for 7th and 8th graders enrolled in Algebra and Geometry

June 5 – 9 *HS Final Exams* for 7th and 8th graders enrolled in HS courses

Good luck Wildcats!!!! Do your best and show the world how awesome you are.

Thank you Wildcat families for your input on the annual parent survey. We will review your input carefully as we plan for the 2425 school year and continue our growth as a learning community.

May is the end of our athletic season, and we are proud of all of our Wildcat scholar athletes. I am looking forward to celebrating them on May 23 at the athletic banquet.

There are lots of great events happening in May including the Student vs Staff flag football game. The staff won the basketball game, and the students won the volleyball game. Come out on May 31st at 4:30pm and see who will claim victory at the flag football game. Check out our website for these and all other events happening at the Glen in May.

Summer will soon be upon us, so I encourage all Wildcats to stay focused and on top of their grades and attendance. This is not the time to let your academics slip. We are excited for ALL of our Wildcats to be promoted to the next grade level.

As always, the safety and well-being of our students remains our top priority. We continue to adhere to all safety protocols, and we encourage everyone to remain vigilant and cooperative in our efforts to maintain a safe and healthy learning environment. Remember – if you See Something, Say Something.

Students, remember to always follow the Glen House Rules and show your school pride: Be Respectful, Be Responsible, Be Safe!!

Make good choices and be kind to everyone!

Dr. Claire Norris

We are unique, we are learners, we are Wildcats
