

Greetings Wildcats!! Welcome to the 2023-2024 school year!

As I begin my 23rd year in education, my 18th year in Broward, and my FIRST year at The Glen, I am very excited to work with you as we build on the successes from last year and continue to strive for great things.

Remember:

- every day is a clean start
- own your choices and decisions (and reach out for support when you need it)
- there are so many great clubs, organizations, and activities happening on our campus – so get involved (or see me to start a new one!!)
- never quit on yourselves – no matter how tough things get. Tomorrow is always a new day!
- you are remarkable and the world needs to see just how awesome you are.

I know we will achieve amazing things this year, as we work together to be better than we were yesterday.

Always follow the Glen House Rules and show your school pride:

Be Respectful, Be Responsible, Be Safe

Make good choices and be kind to everyone!

Dr. Norris

Principal
