From the desk of Principal Dr. Norris

My name is Dr. Norris, and I am the very proud principal of FGMS. I hope you had an awesome summer and spent lots of time having fun and enjoying your families.

The theme for the 24-25 school year is Team FGMS: Stronger Together because we know that with collaboration and teamwork we can do more, be more, and achieve more. We register families, not students, at Forest Glen, and we are excited to work with you for a successful year.

During the year there are many opportunities for collaboration:

Paws at the Glen, FGMS Parent University, Family Nights on and off campus - because it takes a village to raise a child and we love the Coral Springs community, SAC and SAF meetings, PTO meetings, and I Zone events with our Super Springs Schools (we work together as a community of schools).

We Celebrate Mondays with school spirit and Feel-Good Fridays - with different activities and spirit events, and we encourage all Wildcats to participate (incentive tickets and goodies will be distributed).

The safety and well-being of our students remains our top priority. We continue to adhere to all safety protocols, and we encourage everyone to remain vigilant and cooperative in our efforts to maintain a safe and healthy learning environment. Remember - if you See Something, Say Something.

Students are reminded to follow the Glen House rules daily: Be Respectful, Be Responsible, Be Safe, and to always Be Kind.

I am looking forward to another amazing year here at the Glen, and I hope to see you soon on the carline or at the next family and community collaboration event.

Make good choices.

Take care and stay safe,

Dr. Norris

Team FGMS: Stronger Together

We are unique, we are learners, we are Wildcats!
