

FGMS WILDCATS ARE READY FOR SUMMER

June 2024

FROM DR. NORRIS' DESK

Greetings Wildcat Families!!

As we wrap up the 2023-2024 school year, I want to take the time to thank the entire FGMS community (students, staff, and families) for an amazing year!!! I am so thankful for each and every one of you and your dedication to FGMS. This year has been filled with growth, challenges, and many successes, and I couldn't be prouder of our students and staff for their hard work and dedication.

To our 8th grade Wildcats – we are so very proud of you and all of your accomplishments. We wish you continued successes in high school and beyond. Stay true to yourself and make good choices!!! Remember Once a Wildcat, Always a Wildcat!!

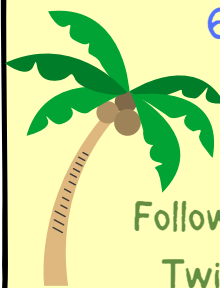

While we look forward to a restful and enjoyable summer break, we are also excited about the upcoming school year. Preparations are already underway to ensure that we continue to provide a high-quality educational experience for all our students. Stay tuned for updates and important dates.

I wish everyone a relaxing and peaceful summer, and I am excited to welcome you back in August.

Make good choices.
Take care and stay safe.

Updates

Science

Science has successfully made it through the year with students in state tested classes showing that they are making gains by improving test scores over previous years in Biology, 8th grade science and 7th grade Gears 2. We are so proud of their accomplishments and look forward to the achievements of our students next year.

Track and Field has had a successful conclusion to the season after some very competitive events at the Regional qualifying meet that saw 5 Wildcats make it to compete in 6 events at the All-County Championship meet. At that meet, we had 3 Wildcats bring home medals in their events as some of the best in Broward County: Zachary Majdoch was 7th in shot put, Alyson Thomas was 8th in 1600 meter run, and Marcus Gentilhomme was 6th in the 1600 meter run.
