Sample Upper School Daily Schedule

An Example of a Secondary Classroom:

Whole group lesson (20 – 30 minutes)

Begin each class by building relationships (teacher to student & student to student [10 minutes])

Delivery of lesson via Teams while using Canvas for student assignments and teacher feedback. Digital/technology tools used to enhance and differentiate lesson delivery (Nearpod, Document Cameras, Canvas Studios, OneDrive, Immersive Reader, SEPA App).

Individual/Small Group work (20 – 40 minutes)

Individual/Group time to complete assignments and projects. Teams Channels or Canvas Collaborations can be used for student group work (PBL). This work time should result in a product or performance to identify proficiency of skill or lesson objective.

Lesson closure (10 minutes)

Teams meetings/Channels can be utilized to provide small group instruction to students on a rotating basis and/or by need (i.e. IEP/504)

Whole class lesson closure that allows teacher to clear up misconceptions as well as student presentation of product created during the individual/group work time.
