Principal's Message

Dear Beachside Montessori Village Families:

As we end 2018, I would like to thank all of our stakeholders for your commitment to our school and community.

I wish all of you a wonderful holiday season. I hope that you will have a restful winter break and that you will enjoy this time with family and friends. I look forward to seeing everyone back at school on January 8, 2019.

Save The Date!

Publix Math Night- January 17, 2019 6-7:30 p.m.

Join us for a fun-filled, hands-on evening of math activities! Students have the opportunity to walk around the store, complete real-world math activities and earn a Publix treat bag.

Beachside Montessori Village Magnet Open House

Thursday, 12/6/2018 @ 6:00 PM- 8:00 PM

If you miss an open house, you may still visit our campus; just call the school directly and request a school tour.

BMV Adopt an Angel Program

Please visit: <https://bit.ly/2zHQqKP> to donate any of the items requested for our BMV Adopt an Angel program.

If possible, please wrap your donated items and place a tag on the outside of the gift to include the FAMILY#, the CHILD#, and ATTN: MR. TURTURRO. Donations may be dropped off in the front office anytime, but the sooner the better.

In addition, we will be collecting NEW, unwrapped toys to assist our sister school, Bethune Elementary. Toys can be dropped off at the entrance to our school from December 3rd – December 14th.

Thank you for your generosity!

Hour of Code

The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. It has since become a worldwide effort to celebrate computer science, starting with 1-hour coding activities but expanding to all sorts of community efforts. BMV's hour of code will take place in classrooms during the week of 12/3-12/9. Please feel free to explore activities with your student as well.

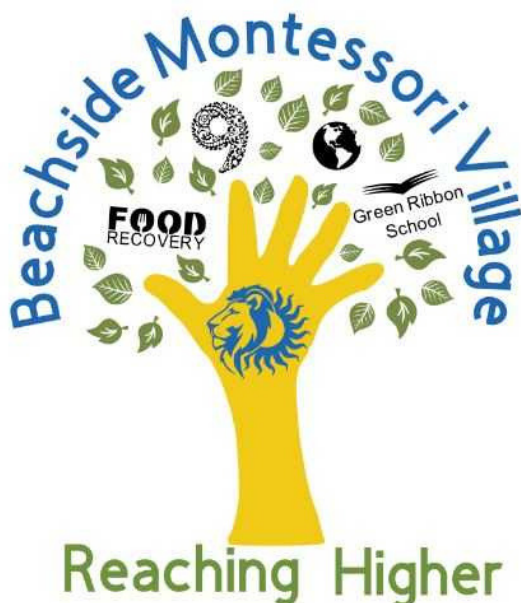

<https://hourofcode.com/us>

Parentlink

The school uses parentlink as a means of communicating information with parents (email, phone messages, etc.). If you are not receiving information from our school, please call the front office to verify that we have the correct phone numbers and email addresses.

FSA & EOC Testing

The 3-6 Florida Standards Assessments (FSA) for grades 3-6 will be administered as paper-based assessments. Those assessments are administered on specific test dates throughout the district. All testing will take place in May. More detailed information and specific dates will be shared at a later date.

Upper School Dance

BMV will host the Upper School Dance on December 14, 2018, from 6:30-9:00 p.m. Tickets will go on sale 12/3/18 and will be sold in the cafeteria. This is an exciting event for our students. Please be advised that all students must be present in school on December 14th and dance attendees must follow the Broward County Schools dress code found here:
