

2019–20 Florida Standards Assessments English Language Arts and Mathematics Fact Sheet

Florida Standards Assessments (FSA) English Language Arts (ELA) and Mathematics Overview

This fact sheet provides information regarding grades 3–10 ELA and grades 3–8 mathematics assessments that measure student achievement of the [Florida Standards](#). For information on FSA End-of-Course (EOC) assessments, see the [2019–20 FSA End-of-Course Assessments Fact Sheet](#).

Students to Be Tested in 2019–20

- Students enrolled in grades 3–10 participate in FSA ELA assessments.
 - All students participate in ELA Reading.
 - Students enrolled in grades 4–10 also participate in ELA Writing.
 - Retained grade 10 or grades 11–12 students who have not yet met the grade 10 ELA graduation requirement participate in the ELA Retake assessment.
- Students enrolled in grades 3–8 participate in FSA Mathematics assessments.
 - In accordance with section 1008.22(3)(b)2., Florida Statutes (F.S.), middle grades students will not be tested on both FSA Mathematics and a mathematics EOC assessment. Students enrolled in Algebra 1 or Geometry must take the corresponding EOC assessment, not the grade-level FSA Mathematics assessment.

Test Administration Schedule

For a full schedule of all statewide assessments, see the [2019–20 Statewide Assessment Schedule](#).

Test Administration Information

- In 2019–20, the following FSA assessments are delivered in a paper-based format:
 - Grade 3 ELA Reading
 - Grades 4–6 ELA (Writing and Reading)
 - Grades 3–6 Mathematics
 - Large print, one-item-per-page, and braille accommodations are provided for students with disabilities who require them, as specified in their Individual Educational Plans (IEP) or Section 504 Plans.
- In 2019–20, the following grade-level FSA assessments are delivered in a computer-based format:
 - Grades 7–10 ELA (Writing and Reading), including Retake
 - Grades 7–8 Mathematics
 - Computer-based tests (CBT) are delivered via a CBT platform called the Test Delivery System.
 - Paper-based versions (regular print, large print, braille, and one-item-per-page) of CBT assessments are provided for students with disabilities who cannot access assessments on the computer as specified in their IEPs or Section 504 Plans.
 - CBT accommodations (e.g., text-to-speech) are available for students whose IEPs indicate these accommodations.
- **ELA Writing**
 - The Writing component of the ELA assessment consists of one text-based constructed-response item (students read a variety of texts and respond to a prompt).

- Grades 4–6 students take ELA Writing on paper and have [three lined pages](#) on which to write their responses.
 - Grades 7–10/Retake students take ELA Writing on computer and type their responses in a text box.
- Grades 4–10 ELA Writing tests are administered in one 120-minute session.
- The ELA Writing Retake is one 120-minute session, but students may use up to half the length of a typical school day to complete the test.
- All students, whether testing on paper or computer, are provided with a [Writing Planning Sheet](#) to plan their writing.
- **ELA Reading and Mathematics**
 - ELA Reading and Mathematics assessments contain 56–66 items. The [Test Design Summary and Blueprint](#) for each subject area provides a map or blueprint for how each assessment is designed. The summaries show the standards assessed within each reporting category and the representation of each category, in percentages, on the test.
 - FSA ELA and Mathematics sessions are administered over two days. Test session lengths are as follows:
 - ELA Reading
 - Grades 3–5: Two 80-minute sessions
 - Grades 6–8: Two 85-minute sessions
 - Grades 9–10: Two 90-minute sessions
 - The ELA Reading Retake is administered in two 90-minute sessions, but students may use up to half the length of a typical school day to complete each session.
 - Mathematics
 - Grades 3–5: Two 80-minute sessions
 - Grades 6–8: Three 60-minute sessions*
 - * Schools are required to administer Session 1 on day one and Sessions 2 and 3 on day two.
 - Students are provided [CBT Work Folders](#) for each computer-based mathematics session.
 - Students are provided [CBT Worksheets](#) for each computer-based reading session.
 - For grades 7–10/Retake ELA Reading tests, students will respond to some items associated with audio or multimedia passages. Students must have headphones or earbuds to access the passages. For information about the types of accommodations available for ELA Reading audio passages for eligible students with an IEP or Section 504 Plan, see the [Accommodations Guide](#).
 - A scientific calculator is provided as part of the CBT platform for **Sessions 2 and 3 only** of grades 7 and 8 FSA Mathematics. The calculator is available for practice on the [FSA Portal](#). In addition, reference sheets are provided for some mathematics assessments. Please see the [Calculator and Reference Sheet Policies for Florida Standards Assessments \(FSA\) Mathematics Assessments](#) for more information. **Calculators are not permitted for grades 3–6 FSA Mathematics.**

Practice Tests

- Practice test materials allow teachers, parents/guardians, and students to become familiar with the various item types that will be encountered on the FSA, as well as the system, functionality and tools on FSA computer-based tests.
- Computer-based and paper-based **practice tests** for each assessment, paper-based **test item practice** handouts, and guided tutorials for responding to items on grades 3–6 paper-based tests are available on the [FSA Portal Practice Test Page](#). For resources to help students better understand the Florida Standards to which the assessments are aligned, please visit [CPALMS](#).
- Students taking a computer-based test are required to participate in a practice test session at their schools prior to testing.

- Schools are strongly encouraged to provide practice opportunities for students who will take paper-based tests by using one of the resources provided on the [FSA Portal](#).
- Districts will order paper-based large print and braille practice materials for students participating with these accommodations.

Achievement Levels and FSA Scale Scores

Student performance on Florida’s statewide assessments is categorized into five achievement levels. Table 1 provides information regarding student performance at each achievement level; this information is provided on student reports so that students, parents, and educators may interpret student results in a meaningful way.

Table 1. Achievement Levels

Level 1	Level 2	Level 3	Level 4	Level 5
Inadequate: Highly likely to need substantial support for the next grade	Below Satisfactory: Likely to need substantial support for the next grade	Satisfactory: May need additional support for the next grade	Proficient: Likely to excel in the next grade	Mastery: Highly likely to excel in the next grade

[Achievement Level Descriptions](#) further specify what students should know and be able to do in each grade level and subject as indicated in the Florida Standards.

Achievement level cut scores for FSA assessments were adopted in [State Board of Education Rule 6A-1.09422](#), Florida Administrative Code, in January 2016. The lowest score in Level 3 is the passing score for each grade level and subject. The table below shows the score ranges for each achievement level on the FSA score scale. For grades 4–10 ELA, a combined score is reported that includes student performance on both the Writing and Reading components.
