Principal's Message

Dear Beachside Montessori Village Families:

I hope that you have had the opportunity to see the story on NBC about our Food Recovery Program. Additionally, Ms. Fiore was a presenter at the Florida School Nutrition Association in Orlando. She shared information with cafeteria managers throughout the state who want to start a food recovery program at their schools. I am so proud of the leadership role that our school takes in our community and throughout the state.

Thank you to our PTSA for organizing a wonderful Boo Fest event for our families last week. All who attended had a great time. We are grateful to the Hollywood Police Department for their partnership with this event. Many thanks to the families who donated food to our annual Harvest Drive. I look forward to seeing everyone at our Booster Social & Auction on Thursday, November 8 from 6:00 - 8:00 at the Circ Hotel.

As we approach Thanksgiving and I reflect on the things for which I am grateful, Beachside Montessori Village is one of them. I am grateful to be at a school with a supportive community, wonderful children, and a staff that is so dedicated. I wish all of you a very happy Thanksgiving. Enjoy the holiday with your family and friends.
