Principal's Message

Dear Beachside Montessori Village Families,

I would like to thank all of our BMV families for their generous donations to the annual PTSA fundraiser. The funds raised will help to enhance many programs at our school this year! I look forward to seeing all of you at the Color-A-Thon on October 5.

We have some valuable resources on our school website. We just added a new feature where you can report your child's absence online. Additionally, as in previous years, the anti-bullying training module for parents is also available on our main page.

She will also show parents how to access the Parent Corner component of iReady where parents can view various reports about time-on-task, mastery of standards, etc.
