Message from the Principal

DR. RYAN REARDON

Dear L612 Families,

I want to officially welcome all of you to the 2019-2020 School Year! I remember when our third class of seniors graduated a few months ago and WOW has time flown by for us all! With summer coming to an end, it is time to continue with the excellent traditions of L612 as we continue doing what we do best – teaching the whole child.

Over the summer break, the school has been cleaned, the hallways repainted, plans for the expansion of the media center are moving along and our new weight room is up and running.

We finished our single point entry project last year and the main entrance into our building will remain the same.

In short, we are ready to go! As I enter into my 7th year as Principal of Lauderhill 6-12, I want to share a few fun facts about our 2018-2019 school year:

- 1- Our graduation rate and college acceleration was 97 percent.
- 2- We earned a school grade of “C” – the highest “C” we have ever earned.
- 3- Our high school will welcome 25 new freshman.
- 4- Our advanced classes in 6th grade are projected to be at an all time high.
- 5- We have added additional security on staff.

I look forward to seeing you soon at a school event!

Dr. Ryan Reardon
Principal
