“We ARE the Cavaliers”**

SCHOOL ADVISORY COUNCIL MEETING

Thursday, April 14, 2021

8:35 am

- I. Welcome/Call to order (Called to order at 8:40 AM by Mrs. A Williams)
- II. Reading of the minutes from our last meeting (Motion to accept the minute as read made by Ms. Debbie and seconded by Ms. Zotter.)
- III. Principal’s Welcome/Update – Dr. Kushner
- Writing Celebration/Pep Rally- A huge success run by Mrs. Rodriguez to celebrate the success of our students on their WriteScore assessments
 - FTE projection for next academic year has already begun. No major changes are expected as of today’s meeting.
 - As of today, anticipating 8 teacher vacancies for the next academic school year.
 - April 21st, 2022- Ribbon cutting ceremony for the opening of our VILS Innovative Learning Lab
 - Media Center renovations- Our currently media center will be refurbished in the future. Dates TBA
 - Pet Pals Program
 - Reorganization of the district per the actions of our new acting superintendent
- IV. Accountability Balance:
- Accountability Starting Balance: \$14,240.55
- Total Spent to date: \$1,976.31 - (Supplies- \$972.33 & Furn/Fix/Equip - \$1003.98)
- Remaining Balance: \$12,264.24 (not reflective of items approved)
- V. SESIR Data for New Renaissance Middle School – Dr Kushner
- 64 incidents as of March 31st
- VI. Title 1 Updates – Ms. Zotter
- Ms. Zotter reviewed the current (2021-2022) school year plans with SAC and requested parent input regarding the development of plans for the upcoming (2022-2023) school year:
- School Improvement Plan with Title 1 Addendum
 - Parent and Family Engagement Plan (PFEP)
 - Parent Involvement Allocation
 - School-Parent Compact

- Parent Input Opportunity – Both electronic and hard copies of discussed plans provided, with translation. No parent input was provided at this time. For parents who could not attend today’s meeting, a ParentLink reminder was send by Mrs. Giancarli with a link to access the above plans and leave comments and suggestions.
- 2021-2022 Annual Evaluation Results: A pdf of the survey results was shared with stakeholders. Most respondents agreed that the school was in frequent communication with families regarding student performance, state testing, promotion criteria and grades. Most respondents also agreed that there was frequent communication and collaboration between home and school to support student learning. Some respondents indicated that they gain school-based information by word of mouth, suggesting that more social-based parent engagement opportunities may be of interest next school year.

VII. Pet Pals – Ms. Teyra

Request for up to \$500 for an air purifier to utilize in the Pet Pals classroom.

Approved by 11 voting members.
