Just Read, Florida! Summer Literacy Adventure and Summer Reading Pledge Florida Department of Education

Florida's First Lady Ann Scott and the Florida Dept. of Education is challenging all of our state's students to pledge to read as many books as possible throughout the summer.

Each student can fill out his or her pledge online at the Just Read, Florida! Website at [Summer Literacy Pledge](#).

Participating schools should have students take the Literacy Pledge prior to Summer break.

Following the summer break, the Florida Department of Education will recognize the top 10 schools with the highest percentage of participation. The school whose students read the most books will receive a surprise visit from First Lady Ann Scott.
