

How to Log into Pinnacle via Single Sign-On – Student Edition

Broward Single-Sign On Website: <https://sso.browardschools.com/>

Pines Middle Website: <http://pines.browardschools.com> (click on links, then Pinnacle)

When logging into Pinnacle, both staff and students will use the same website address. Login, however, will distinguish whether it's a staff member or a student. No longer will you have to select the school you belong to.

For students, you must log in with your 10-digit student ID number. Parents will need to know their student's ID number to be able to get in and check Pinnacle or access any of applications the county is offering. Students will use their birthday with the following format as their password: **Pmm/dd/yyyy** where the m=month, d=day, and y=year.

Sign in with your Browardschools Personnel Number or Student Number

[Sign in](#)

Students
If you are a student, your login name is your student number (06#####). If you have forgotten your password, please contact your teacher.

Staff
If you are staff, your login name should be your staff ID (P0#####). If you have forgotten your password, please contact your tech.

Parents Accessing Pinnacle
If you are a parent of a student in grades 6-12 and are accessing Pinnacle, please use your child's Active Directory userid and password to login. If you are the parent of a child in grades 3-5, please use the **BCPS Mobile App** to view the current average grade your child has earned in each class.

WAZZLE

Here you will see the individual assignments that make up the grade above. If your student has a “X”, it means they are excused from the assignment. They are not required to make it up. If your student has a “Z”, it means that nothing was turned in and you will see, in red, how many days past due the assignment is. It is up to the individual teacher as to whether they will accept the assignment late or not.

If you click on “**Notifications**” on the left side, you can set up Pinnacle to notify you if grades get below a certain threshold.
