

# Logging into iReady

## Step 1:

Go to <https://login.i-ready.com/> (You will find this site under bookmarks on the computer)

## Step 2:

Type the student's 06# (nothing else) on the first line

Type the student's password (Please ask your child's teacher for the password)

Select "Florida" from the drop down list.

The image shows a screenshot of the iReady login interface. At the top, it says "Hello!". Below that is a "User log In" section. There are three input fields: the first is labeled "studentnumber (nothing else)", the second is a password field with "..." and a blue border, and the third is a dropdown menu currently showing "Florida". To the right of these fields is a blue button with a cartoon fish character and the text "K-1 Card Login". Below the input fields is a green "Go!" button and a blue link "Forgot Username/Password?". At the bottom of the login area is a link "Learn more about i-Ready". Three red arrows point from the right towards the three input fields, indicating where to enter information.

## Step 3:

Click on "Log in With Active Directory"

## Step 4:

Log into iReady using the following credentials:

Username      studentnumber(06#)@my.browardschools.com

Password      (Please ask your child's teacher for the password)

\*Please note this will not work without the @my.browardschools.com at the end of the student number.
