Also, to keep you informed of the COVID cases reported for students and staff on campus, we had 12 cases reported this week. All close contacts have been advised and as always, all areas of the school continue to be disinfected and cleaned for students and staff safety.

Lastly parents and guardians I need your help with reminding students of appropriate school behavior. We experienced an increase in disruptive behaviors this week as well as dress code violations. Please take a moment to remind your student of the importance of conducting themselves and dressing appropriately in school. We appreciate your partnership with the school, and we look forward to your continued support.

This concludes the Friday call, have a great three-day holiday weekend and be safe Patriot Family!
