- **Honors Level Course Note:** Academic rigor is more than simply assigning to students a greater quantity of work. Through the application, analysis, evaluation, and creation of complex ideas that are often abstract and multi-faceted, students are challenged to think and collaborate critically on the content they are learning.
- **Advanced Placement Course:** Students earn 6 Quality Points on their weighted GPA for these courses; however, to earn college credit, the student must pass an end of the year course given by the College Board.
- **LH Courses:** LH is designated Local Honors. This means that the district has deemed the course honors; however, the state has not. Some scholarships, and post secondary institutions may not consider these courses Honors level.
