

Westpine Middle School  
Title I Annual Public Meeting  
School Advisory Council Agenda – January 6, 2022  
Time 5:30 P.M. (Cafeteria)

---

**Attendance: Sign-in/Handouts**

**Call to Order and Determination of Quorum:**

**Reading and Approval of Minutes:**

**Welcome and Introduction**

**Old Business:**

**1. Positive Panther Pride Challenges**

- To change the mindset of our students from the destruction of the Tik Toc challenges, to more creative efforts. Westpine is participating in a series of positive school-wide challenges.
  - October – Door Decorating Contents “Theme: Panther Pride, Panther Strong”
  - November – Dress for Success (New date will need to be selected due to no quorum)
- Students who are in a 2<sup>nd</sup> period class with 100% participation will get an ice-cream pass to use in the cafeteria. Provisions will be made for students without attire.
- We would like to ask PTO for their support with the cost of the ice cream. The cost of 500 Ice Cream rewards is \$260.00.

**New Business:**

**2. Accountability Funds**

- \$1,200 is needed from the accountability funds and \$431.23 of the amount is needed to purchase Science curriculum (-768.77).

**3. Equity – No Report**

**4. Social and Emotional Learning (Ms. Roberts)**

- SEL had a staff gift card donation and raffle for the entire faculty.
- We've gathered student rewards for the student Panther Paw student behavior incentive program and for students who are caught doing something good.
- Students are currently working on a presentation of de-escalation strategies other students can use to help them during the morning announcements.
- Morning announcements already give SEL quotes and tips of the day.

**5. Verizon Innovative Learning School**

- Westpine applied for a grant to receive funds for a Verizon Innovative Learning Lab. If approved, the learning lab will provide 5G technology to select schools nationwide where students and teachers are at the forefront of cutting-edge technology. Things like virtual and augmented reality, 3D printing, and more immersive collaboration can turn lesson plans into living, breathing, dynamic experiences.

- Currently, we have deployed 983 devices, those students that do not have an iPad have the option to receive an iPad through the day loaner program.
- We encourage parents to ensure their child brings a fully charged iPad to school every day. Students were instructed to leave the chargers at home to minimize loss and theft.

**6. Title I (Ms. Kesnick)**
