Dear Westglades Family,

Happy Fall! October was a busy month filled with a lot of activities. Westglades had its first band and orchestra concert in nearly two years. It was amazing to see the students performing music again and at such a high level! Our cross county, golf, and soccer teams finished their seasons and the girls golf team and girls soccer team both won the District Championships! This is an amazing accomplishment for our athletes, school, and our athletic program.

We are collecting for the Harvest Drive. This is an important event to assist those in the community that are in need, and it is an opportunity for our students to give back and support their community and the surrounding communities. Please see our website or social media for details.

WMS was a Top Nearpod User for September with *the most activities collected in Broward County Public Schools*. Our teachers collected a total of 20,936 Nearpod activities.

Nearpod provides real-time insights into student understanding through interactive lessons, interactive videos, gamified learning, formative assessment, and activities. Mrs. Stratos our Media Specialist says, "It allows teachers to enhance their lessons with activities that keep kids engaged while giving real-time feedback and data on student achievement and participation. It's like PowerPoint meets whiteboard meets video game." Great Job, Wolves!

The week of October 4th through the 8th, we held our annual Fall Scholastic Book Fair. We had over \$17,000 in sales. The students' purchases helped us raise over \$4,250 in cash for the PTO to help make improvements around our campus. Mrs. Stratos was thrilled saying, "I can tell you that it was our most successful book fair EVER. We sold out of almost everything." Special thanks to the WMS Parent Teacher Organization (PTO) that always volunteers their time to help the students and staff at WMS!

CELEBRATE WITH US!

We are so excited to announce that this year is the 20th Anniversary of WMS opening! We plan to celebrate all year long! The staff started the year with a Twenty Years of Westglades video montage and the PTO provided staff with special goodie bags. The PTO also sponsored new flags and banners which definitely spruced up our courtyard area. Lastly, we started adding items to our Time Capsule that will be opened in 20 years! **We invite all WMS families to celebrate with us and show support by purchasing a special edition 20th Anniversary t-shirt from the PTO.**

The 2nd debate tournament of the season took place on October 27th at Stoneman Douglas. Great job to all who participated! This month's winners are:

- Shania Srivastav
- Dhruv Mutha
- Ishika Gadani

SOCIAL STUDIES

Mrs. Abou-Semaan's class finished the quarter with a 13 Colonies project called "Colonial America: It's a Children's Book". For this project, the students were assigned one of the 13 Colonies, and they were to create an informative and colorful kids book that centered around Colonial life. Some really wonderful projects were submitted! The class is looking forward to learning about the events leading up to the American Revolution/The Revolution during the 2nd quarter.

Mr. Cantlupe's 8th Social Studies classes just finished, or are finishing, a colonial advertising project, students create brochures, maps, and postcards to convince a British subject to come to their colony. We are heading on the road to the American Revolution next. Stay tuned!

Mrs. Stobinsky's 6th Grade World History students have been busy at work. They just finished various activities with ancient Mesopotamia. Students wrote their names in cuneiform. In November, they will be studying the Aztec/Mexican holiday of Day of the Dead and Indian holiday Divali. Our Social Studies department is promoting the Harvest Drive and hope for a large success. We will begin our study of ancient Egypt soon.

SCIENCE

Students in 7th Grade Science are learning about cell organelles. They participated in a lab activity where they built a cell using inanimate objects. Students identified the similar structure and function between the objects and cell organelles.

WESTGLADES MIDDLE RED RIBBON WEEK

Westglades Advanced Orchestra set the tone for the Fall Concert with lots of spooky music!

The performed "Hocus Pocus," "The Abandoned Funhouse," and "Gargoyles."

Both groups had a strong first performance and are looking forward to performing 3 more times this year!
