The 2016-2017 School Year will feature an A/B Block Schedule, where you take four 90-minute classes per day. The A/B Block Schedule will consist of seven classes plus a Personalization period over the course of two days. Students may earn seven credits per school year. Three of these credits will be CORE classes: English, Math, Science. The CORE classes will be selected for you by your guidance counselor based on test scores and academic history. Below, you must choose FOUR ELECTIVE classes plus TWO EXTRA classes (in case there is a conflict in creating your schedule). Intensive Reading and Developmental Language classes will be selected for appropriate students based on FSA/ELA scores and ELL classification levels. Please note that every attempt will be made to ensure that you get the best schedule per your request, but no guarantee can be made regarding your electives.

**Please select SIX ELECTIVES in the ORDER OF PREFERENCE:**
