

Adopt-A-Street

The Adopt-a-Street program empowers volunteer groups to keep their neighborhoods litter-free one street at a time. It is in collaboration with Broward County, participating cities and volunteer groups.

Benefits include:

- Increased property values
- Reduces litter-removal costs
- Fosters neighborhood pride
- Frees up maintenance crews to perform other tasks

Would you like to help to keep Oakland Park beautiful? We currently have over 15 groups of friends, residents, civic organizations or neighborhood associations who have adopted a street around the city or near their homes. The commitment is simple. You and your friends, family members, business workmates or church group could select from our list of identified city streets, or submit the city street of your choice for approval in the program.

These street segments are generally from one half to one mile long. You would commit to a two-year agreement cleaning your street every other month or six times a year.

We provide your crew with:

- Bags
- Grabbers
- Scale
- First aid kit
- Snipe signs
- Gloves
