1 in Broward Public Schools!!

Faculty

100% of College Academy instructors have Masters or Doctorate degrees; 50% are National Board Certified; all are qualified adjunct dual enrollment instructors. Faculty and staff provide an educational bridge of support services helping students transition from high school to college via tutoring, mentoring, and seminars.

Demographics

College Academy students come from all over Broward County. The school population is diverse and reflects the religious, ethnic, and cultural diversity of the community.
