Focus on Academics

CA @BC is proud to announce our Questbridge and Posse winners

As the FIRST ROUND of scholarship winners ends, The College Academy at Broward College is proud to announce the prestigious **Questbridge scholarship** winner, Camille Williams (pictured left), who has earned a full four-year scholarship to Rice University, located in the Texas, where she will study Pre-Medicine.

Posse Scholarship Winner, Kristin Walters, represents the North Campus for CA @ BC; but she isn't staying "north" for long. She is off to Pomona College in sunny California to study Education and Math.

Posse Scholarship Winner, Patti Brabble, has been awarded full tuition to Mount Holyoke College in South Hadley, MA. She plans to study Anthropology.

The Posse Scholarship - another esteemed award- has started to match winners. Posse scholars receive 100 percent of tuition costs for four years.

Chelsea Brown (right) and Vincenzo Hid Arida (left) were both matched with Syracuse University, located in New York. Chelsea

plans to study Journalism while Vincenzo plans to pursue his interests in Business.

The Posse Scholarship team has also matched Tenny-Ann Dandy to Franklin and Marshall College in Pennsylvania. There, she plans to study Geosciences.

We are so proud of all of you.

Counseling Corner

*Dr. Jodie Weinstein, Guidance Director, Central Campus
Ms. Michelle Davis, Guidance, BRACE Adviser, North Campus*

New year, new goals! Why do 70% of us fail at keeping our New Year Resolutions?? It's because our goals are not concrete. If you set an academic resolution for the spring term (or any type of resolution) – take a minute to write it out as a SMART goal.

SENIORS – This is your final term at CA. Your School Counselors prefer not to call you Seniors as you are not permitted to get that awful disease – SENIORITIS - because you are second year college students. Keep in mind that your university acceptances are conditional so you must finish strong. See a counselor if you need help.

National Honor Society

The NHS Induction Ceremony welcomed over 100 new members to the CA at BC Chapter, in November. The ceremony was filled with music and inspiration speeches regarding the core qualities that NHS members celebrate: Character, Service, Leadership, and Scholarship. Following the ceremony, the PTSA served cookies and

refreshments.

NHS Sponsors Dr. Barron and Mrs. Brown wish all of you a happy holiday season and an awesome new year. And, remember this is the perfect time of the year to volunteer and earn your service hours.

Important Term II Dates

JANUARY

FUN TIMES at CA @ BC

NBC Channel 6 News visited Central Campus in December to highlight the spirit of the students. President Haile joined in the live interview, congratulating the accomplished students and discussed the many services that BC provides. The interview is pictured to the left

As the semester came to an end, CA students could be found in the gym, at the library, or making gingerbread houses (pictured left) in order to relieve some of the stress associated with end of term exams. Term I resulted with new friendships, new knowledge, and new scholarship recipients. We have much to celebrate this holiday season, both on and off campus. The CA staff and family wishes all of our CA /BC family a safe and happy winter break as we get ready to do this all again on January 7th, 2019!

On North Campus, several students showcased their amazing athletic skills in the 4th Annual 5K Turkey Trot on Nov. 16th. The goal of the event was to help support a local homeless shelter. Participants were asked to donate 3 non-perishable canned goods for entry. CA Junior Genesis Cintron (pictured right) took 1st place! Cheers & congratulations to her on her **EXTRAORDINARY** efforts! **WAY TO GO, GENESIS!**
