Focus on Academics

CA at BC student selected as Sunshine STEM Scholar

Congratulations to Rachel Levy (pictured below)! Rachel, a junior at CA will travel to Orlando this summer to meet with leaders in the STEM fields. Each year, the Broward School District chooses one junior with the highest achievements in Math and Science to attend the Sunshine State STEM summit. We are so proud of her accomplishments!

JUNIORS – SAT Day is almost here!

SAT School Day will happen Tuesday April 9th on both campuses. We hope you took the time to prepare to do your best. If a student cannot be excused from his or her Tuesday morning classes, we are encouraging the student to consider registering for the May or June SAT or the June or July ACT dates that remain for this school year.

Counseling Corner

Dr. Jodie Weinstein, Guidance Director, Central

COMMENCEMENT – a new beginning or a start! For our seniors, this equates to graduation from College Academy and Broward College with two credentials – a high school diploma and an AA degree - then a transition to another college or university to COMMENCE on a new journey! With only 3 weeks of classes left and final exams – students MUST push through! Our seniors do not have the luxury of SENIORITIS as they are second year college students and these grades will follow them to undergraduate and beyond!

Please utilize all supports and resources! We know many of our seniors are struggling with university decisions – please come in and share with your school counselors, BRACE advisors and CA instructors. We cannot make the decisions for the student, but would be happy and willing to listen and facilitate a productive conversation.

Ms. Michelle Davis, Guidance and BRACE Counselor, North

JUNIORS –SAT School Day will happen Tuesday April 9th on both campuses

We also want to remind Juniors to start preparing for the end of the semester! Remember to use all resources which include the NHS tutors for Trig and Chemistry!

There are peer tutors who want to help! If anyone is struggling to find assistance, please stop in to see your School Counselor and ask about any additional resources.

National Honor Society

Celebrates Outstanding Senior Leaders

NHS seniors enjoyed a delicious meal held in their honor on March 20 at the Signature Grand. Seniors from across the district were recognized for the accomplishments regarding leadership and vision. CA at BC selected the co-presidents from each campus to receive this merited award.

FUN Times at CA at BC

All CA juniors at north participated in the North Campus wide Pi-day event March 14 – 3.14. Students worked with professors to solve for PI, as they scattered around campus, looking for clues. CA students earned accolades in the Digits of Pi, Estimation of Pi, and Pi-eating contest.

Senior Spotlight

Cap & Gowns

Seniors who still need a cap and gown must order them in person at Herff Jones in order to participate in our June 20 ceremony. BC graduation is on May 7 at 11:00am. Visit the BC website for information.
