Where a High School Goes to College

Newsletter

August 2019

Welcome Seahawks!

The new school year is about to begin. I hope you are as excited as I am to start the school year. We have an incredible group of juniors starting college with College Academy and the Class of 2020, returning as seniors.

I have high expectation for these young scholars that they will carry on the grand traditions and achievements of previous College Academy classes. Every student at College Academy aims to earn their Associates Degree and last year 100% earned their degree. We encourage them to apply for scholarships and last year 98% earned a Florida Bright Future Scholarship.

Safety

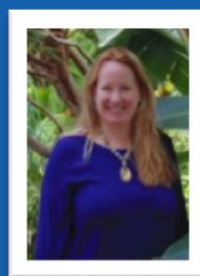

Broward College's Safety and Emergency Management team provide a wide range of ways for our students to provide tips, receive alerts and even obtain an escort on campus. Campus Safety deploys a campus safety team that patrols the campus during morning and evening classes. Each year Campus Safety provides a presentation: Staying Safe on Campus to our students and to our parents. In addition, Campus Safety conducts active shooter training for students. As soon as we have confirmed dates for the presentations you will receive notification.

Parents and students are asked to review the Broward College Campus Safety webpage at www.broward.edu and become familiar with the Rave Guardian App and the Fortify FL App. Both apps provide a method for reporting concerns and for everyone *who sees something to say something*.

Please do not hesitate to call me regarding any safety questions or concerns. Looking forward to another great CA year.

Warm Regards,
Deborah Davey, Principal

Counseling Corner

Dr. Jodie Weinstein – Guidance Director, Central Campus (left)

Welcome College Academy at Broward College Family! We are excited to welcome our Seniors back to campus and our incoming Juniors into our fold! Seniors – please remember we are here to support you ☺ Senior year is filled with more rigorous coursework and college applications and recommendation letters. Although you have been trained to monitor your own diploma and degree completion progress, Dr. Weinstein and Ms. Davis will be meeting with each senior individually on their respective campuses beginning the second week of school to review this information. Please do not make any changes to your schedule without speaking with a CA counselor first to avoid courses dropping due to fees not being removed and possible unintended negative impact on graduation requirements.

Mrs. Michelle Davis, School Counselor, North Campus (left)

Juniors – Dr. Weinstein and Ms. Davis are both trained to provide academic, career and personal counseling. We will be meeting with you on a regular schedule through CA101. During this time, we will discuss all of the college life and study skills needed to ensure your success such as time management, available resources, how to use office hours and how to best communicate with instructors. Our small school environment allows us to provide individual attention to you throughout the year.

Welcome Dr. Lue

Assistant Principal Dr. Maureen Lue joins the College Academy team. Dr. Lue is an experienced educator with over 25 years of experience. Her hobby is running marathons. Don't be surprised if she tries to talk you into running with her. Dr. Lue's office is located on the North Campus in building 47.

Fun Times @ CA

BC's Tigertail facility offers fun for all CA @ BC students

Looking for some ropes to climb, canoes to paddle, and ways to stay cool in South Florida? Did you know as a CA@BC student you an opportunity to participate in Broward College Student Life Activities including BC's Tigertail facility.

BC Student Life for Clubs & Activities

Reasonable Accommodation Statement

The School Board of Broward County, Florida, prohibits any policy or procedure which results in discrimination on the basis of age, color, disability, gender identity, gender expression, genetic information, marital status, national origin, race, religion, sex or sexual orientation. The School Board also provides equal access to the Boy Scouts and other designated youth groups. Individuals who wish to file a discrimination and/or harassment complaint may contact the Director, of the Equal Educational Opportunities/ADA Compliance Department & District's Equity Coordinator/Title IX Coordinator at 754-321-2150 or Teletype Machine (TTY) 754-321-2158.

Individuals with disabilities requesting accommodations under the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), may contact the Equal Educational Opportunities/ADA Compliance Department at 754-321-2150 or Teletype Machine (TTY) 754-321-2158.
