Girls Flag Football Coach Dawn Azzarelli
Boys Flag Football Coach Larry Bremner
Track Coach Sprints Fernanda Johnson
Track Coach Distance Maryanne Sweeney
Track Field Events Coach George Austin

Dear Incoming 6th Grade Students and Parents,

It is with great pleasure that Westglades Athletics welcomes you to Westglades Middle School for the 2022-2023 school year. Westglades Athletics tries to make the transition for your child and you as smoothly as possible to middle school.

During the school year, the Broward County Middle School Athletic Association offers several sports that your child may try out for to try and become part of a team at Westglades Middle School. Westglades Middle School has been extremely successful in interscholastic sports over the years, recently winning 2 County Championships and 7 division titles over the past 2 school years.

Due to a change in Broward County Middle School Athletic Association policy, all students interested in trying out for a school team, must submit permission/proof of insurance form, copy of insurance card and proof of a current physical (doctors visit must take place after June 1, 2022) before being allowed to attend tryouts for any sport. The physical form cannot be on the FHSAA form. Please have the doctor use the FL Dept. of Health Form. The permission/proof of insurance form and FL Dept. of Health Form are available on Westglades.com and www.registermyathlete.com.

All forms must be submitted on the website www.registermyathlete.com. Please visit this site, register your child, print forms and then upload the completed forms to the website. Every time you submit a form, I receive it and will approve it if it is submitted correctly. If it is not complete, it will be rejected, and I will let you know what you need to correct before you resubmit. Once you are completely registered and all forms are submitted correctly, you will receive notification. If you need assistance for www.registermyathlete.com a PowerPoint presentation is available on Westglades.com

If you have any questions, please feel free to email me at Paul.Battaglia@Browardschools.com. We look forward to seeing your child in August.

P.J. Battaglia
Athletic Director
