

Student ID Badge QR Code

Student ID badges are mandatory when on campus and should be worn and visible at all times. Use this QR Code to access the form needed to request an ID badge and/or lanyard. The first replacement will be free. For every replacement thereafter, students will receive an obligation. Replacement ID badges are \$1 and lanyards are \$2.

Students my report to the media center before school or during their designated lunch period to receive their replacement ID badge and lanyard.
