Vol. 3, No. 9

May 1, 2017

Special Note from the Administration

Greetings STHS parents, students, and community stakeholders.

Students will be busy these first two weeks of May with FSA, EOC, and AP exams. **Please see the exam schedule posted on page 10.**

On a lighter note, **congratulations and accolades** are in order for several of our students:

STHS juniors, **Sierra Richardson** and **Brigette Levenhagen** took GOLD at the State Level *SkillsUSA* Competition last week. Sierra garnered a 1st Place finish in Prepared Speech and Brigitte won 1st Place in Commercial Baking. Both Sierra and Brigitte will now be representing the school at the National SkillsUSA Tournament in Louisville, KY in June. Congratulations to our amazing students!

Locally, **Ryan Rowe** was recognized by Commissioner, The Honorable Dale VC Holness, in appreciation for her "commitment to strengthen our nation and communities through volunteer service." The honor was bestowed upon Ryan who served, in varying capacities, on the Joshua's Heart Foundation Jr. Advisory Board, as well as volunteering her time to the communities JHF serves. The presentation was made at the April Commission meeting held during National Volunteer Week.

Florida Page and Messenger Program

~ Ryan Rowe, Sophomore

The week of April 17th to April 21st, I was in Florida's capital, Tallahassee, as a Messenger for the Florida House of Representatives. The Florida Page and Messenger program allows for students to be sponsored by a Representative from their district to volunteer while the legislature is in session. The job of a messenger is to sort mail in the mailroom and deliver it to the various floors of the House and Senate buildings. Pages run errands and serve the needs of representatives while they are in debate.

The weeklong program also includes tours of the historic capital and important sites in Florida's history. The Supreme Court, the Governor's mansion, the Challenger Learning Center, and the Museum of Florida History were a few of the sites we visited. The Page and Messenger program provides hands-on learning as well, with students creating their own legislation to defend or argue against in a mock chamber session.

FLORIDA HOUSE OF REPRESENTATIVES

The Florida House of Representatives Page and Messenger program was a great way to earn service hours and experience government in action. From watching the Representatives on the chamber floor to meeting key figures in person, the trip propelled my inspiration to pursue a political career to new heights, and it is definitely an experience I look forward to again in the future!

Teaching & Learning Spotlight

Emerging Technology in Business

~ Robert Decker, Teacher; Ms. Z., Lab Facilitator

Emerging Technology is tickled pink ... and extremely proud to share that our freshman have earned a total of **321 MOS Industry Certifications**

(Word, PowerPoint, OneNote & Excel) since August, and there is still one more round of testing to go before summer. That is an average of over two per student! These achievements are helping put STHS on the map in regards to vocational achievement. *Thank you!*

If interested in scholarships, students and parents are encouraged to look into the *Florida Gold Seal Vocational Scholars Award*. Below is a summary and link for further information.

The *Florida Gold Seal Vocational Scholars Award* is one of Florida Bright Futures Scholarships. The FGSVS award recognizes high achieving high school graduates and provides expanded opportunities for Florida's top career and technical students to acquire a post-secondary education.

STHS Students Participate in Districtwide World Language Academic Competition

~ Maria Agudelo, Spanish Teacher

The Spanish classes participated in the Districtwide World Languages Academic competition. The competition included different categories such as projects, posters, impromptu speaking and declamation in various languages. Four of Ms. Agudelo's students participated in the World Languages academic competition.

Melissa Sanchez was awarded second place in Impromptu Speaking, **Angelica Vides** and **Jackeline Villavicencio** (pictured below) earned third place in the project category and **Ernesto Velazquez** earned fourth place in Declamation.

Congratulations to our Sheridan Technical High School Spanish students for participating in the academic competition and for a job well done.

Angelica V. (top) and Jackeline V. (bottom) earn 3rd place in project category.

Lifeline to Literacy

~ Esther Charles, Literacy Coach

All of our hard work has finally paid off. We are officially testing and students have done a wonderful job preparing for the assessment.

The FSA ELA will focus on reading comprehension and grammar over a two day period. This year we implemented the S.E.L.A. (Success in English Language Arts) tutoring sessions that were designed for preparing students for the FSA. Students have persevered since September with the intent to sharpen reading, writing, and grammar skills. In addition, we have also implemented two literacy programs: RIF (Reading Instructional Focus) and No Red Ink. Both programs were supported schoolwide to ensure that students were exposed to various literacy skills and strategies throughout. Students have shown an understanding of the relationship of literacy with ALL of their content subject areas. Job well done this year, Wolves!

The STHS "Teen Readers" competed against 11 other Broward County Public High Schools in the **2017 Battle of the Books** on April 4th. Yeva Chupryna shares her experience from this district-wide event.

~ Yeva Chupryna, Freshman

"Battle of the Books competition was a really fun experience. Five of our strongest club members participated, and we got 4th place. I personally enjoyed the whole competition. My most favorite part of it would have been getting free books if I hadn't reunited with my fellow book lover, who I knew since middle school! Of course, getting free books is my second favorite part of the competition. I'm so excited to participate again. Also, Teen Readers club really needs more people next year, so we're encouraging everybody to consider joining. Trust me, you'll have a lot of fun!"

Summer Opportunity for the business-minded student!

STEVENS
INSTITUTE of TECHNOLOGY
THE INNOVATION UNIVERSITY™

Stevens Institute of Technology offers one of the most comprehensive pre-college business programs available.

At [Stevens Pre-College](#), high school students will translate skills learned from the classroom to the real-world. From conducting market research with perspective customers to pitching an idea to a panel of accomplished investors and professors, our programs will give students the confidence they need to pursue a career in the competitive business world.

With quick access to Wall Street, our corporate site visits will give students unparalleled exposure to the big leagues. In the past, we have visited Goldman Sachs, Bloomberg, and the Federal Reserve. There is no doubt that students will leave our program with an advantage in the college admissions process. Below are program descriptions of our unique business offerings:

Business Explorer: This exciting one week, residential program puts you in command of the technology that's altering the world of tomorrow. You will see how technology is changing the game in accounting, finance (including quantitative finance), management, information systems, international business, marketing and more as you work towards creating a dynamic consulting strategy for a real company.

Entrepreneurship: From an Idea to a Startup: Think you have what it takes to be an Entrepreneur? This strategically designed one week, residential program will focus on the tools and skills that are required to develop an idea that can be pitched to a potential customer. Throughout the week you will be exposed to robust group exercises, guest speakers, exciting site visits, engaging discussions and workshops led by successful business owners. The program will culminate with students creating an innovative website for a business idea that your group develops.

We are now accepting applications! For more information on how to apply, please visit www.stevens.edu/summer. If you have any questions, please don't hesitate to reach out to a team member by emailing us at summer@stevens.edu or calling 201.216.3683.

From your BRACE advisors

Ms. Barbara Sherman and Ms. Vanessa Longhi

Please see the enclosed **2016-2017 Certificate/Applied Technology Programs @ our Broward Technical Colleges** flyer to learn about the program offerings at any one of our 3 Broward Technical Colleges. Information includes program of study, career, hours and campus location.

CharACTer Counts @ STHS

For the strength of the pack is the wolf ... and the strength of the wolf is the pack!

~ Rudyard Kipling

The Character Education recognition program is aligned to our fundamental belief in the ***Coalition of Essential School Principles***. When teachers and students work together based on common principles the learning environment is beneficial to all stakeholders.

Patriotism

Patriotism means exercising love *of and devotion to one's country*,

Included within the concept of patriotism is the concept of loyalty to the fundamental values and principles underlying American constitutional Democracy. This is expressed in the Declaration of Independence, Preamble to the U.S. Constitution, Bill of Rights, and the Pledge of Allegiance.

What can YOU do to demonstrate patriotism?

- ⇒ VOTE or encourage others who can to vote.
- ⇒ Send a letter or care package to someone serving in the U.S. military.
- ⇒ Visit and support our national parks.
- ⇒ Stay informed on current events.
- ⇒ Participate in a political protest (exercise your 1st Amendment rights).
- ⇒ Volunteer on a political campaign.

"And so, my fellow Americans, ask not what your country can do for you; ask what you can do for your country."

~ John F. Kennedy

The Coalition of Essential Schools: Common Principles

- 1. Learning to use one's mind well***
2. Less is more: depth over coverage
- 3. Goals apply to all students***
4. Personalization
5. Student as worker, teacher as coach
6. Demonstration of mastery
- 7. A tone of decency and trust***
- 8. Commitment to the entire school***
9. Resources dedicated to teaching and learning
- 10. Democracy and equity***
