A NOTE FROM ADMINISTRATION

Ms. Mary Barba, Assistant Director

Greetings STHS Wolves.

We have had a fantastic start to the new term. Students are settling into their new classes and doing well. Already, in just the month of January, we have had some spectacular events and student opportunities as you will read later in the newsletter.

The Broward Technical College Foundation hosts an annual fund raiser every year and you are invited! This is a fun-filled evening (for adults) where you can sample the culinary delights of different restaurants as well as bid on fantastic prizes. This year's theme is "Sun & Sand", so you will want to wear your "beachy best"! All money raised at this event goes directly back to students through scholarship opportunities. Hope to see you there.

We will host our 2nd Annual College Fair at STHS on February 5th, from 6:00 - 8:00 PM. We will have over 40 colleges and universities here to speak with parents and students about their respective schools, degree programs, and what they have to offer. It's a perfect time to speak one-on-one with these representatives.

As you read through the newsletter, you will see the tutoring schedule for [ACT](#), [SAT](#), [EOC](#), [FSA](#) & Homework help. Please take advantage of these opportunities. They are free to your children and given by master teachers. I want ALL our students to be as successful as they possibly can.

Parents be sure your children are logging and submitting service hours to their counselors. Students need a minimum of 40 hours for graduation, however I suggest a goal of 100 hours in order to be prepared for any [Bright Futures Scholarship](#). Please take a close look at the

table below. These are the requirements for Bright Futures Scholarships, where the [Florida Academic Scholarship \(FAS\)](#) is a 100% Tuition and the [Florida Medallion Scholarship \(FMS\)](#) is a 75% Tuition. Yes, you read that correctly! 100% and 75% scholarships. Fully paid. So, let's work together to ensure your child has every opportunity to attend the college of their choice and graduate as close to debt free as possible!

As always, thank you for your support.

[Senior Teachers;](#)

Mr. Richard Berman,

Mr. Ozkan Keskinaya, Ms. Wendy Payne

& Mr. Peter Wizenberg

2019 End-Goal

As the Class of 2019 moves closer to their end-goal of leaving as graduates of Sheridan Technical High School, some of our students are already making great strides in solidifying their plans for their next step towards success.

Throughout the halls of STHS can be found "ACCEPTED" posters that show which universities members of the Senior Class have been accepted to. To date, Seniors from STHS have earned acceptance letters from [Valencia College](#), [the Culinary Institute of America](#), [University of South Florida](#), [Nova Southeastern](#)

[University](#), [Lynn University](#), [Penn State](#), [Florida Polytechnic University](#), [Louisiana State University](#), and [Florida International University](#).

Seniors be sure to bring in your acceptance letters as you get them. Little known fact, but all universities and colleges award merit-based scholarships. These are not tied to financial need, so any increase in your GPA or [SAT/ACT](#) scores can help you convince your chosen school to give you more money. Seniors should check their emails for the updated weekly tutoring schedule. SAT and ACT tutoring is available. Check your email on outlook for your guide to this free and important resource.

Seniors who have been accepted to colleges should also be preparing to fill out their [FAFSA](#) paperwork. This is essential, as it is the only way you will qualify for financial aid from your school of choice.

Over 1.4 million dollars was awarded to six students from STHS on Tuesday, January 15. Repeat that...1,433,000 dollars was awarded to six students. These students traveled with Mrs. DiAlberto, the BRACE adviser, to the [Infinite Scholars Program](#), where they met with representatives from 32 private and public schools from all over the country.

The Infinite Scholars Program, held at [Dillard HS](#), allowed students from all over the county to meet with admissions officers and earn on the spot admission to schools from all over the country. In addition, they were able to qualify for full/partial scholarships to these institutions which equal almost 1.5 million dollars.

Be on the lookout for those, as well as opportunities for involvement with your very own Class of 2020. One event that promises to be a hit is the College Fair that's going to take place at SHTS on Tuesday February 5th from 6-8PM.

Finally, let's keep the lines of communication open. Students – let us know how we can help you. Families – check your child's grades in [FOCUS](#) and don't hesitate to reach out to us with questions, comments, and concerns.

Louder Than A Bomb Florida

Our club grew by a few more poets, welcome *Natania Russell & Angie Rivera!*

Over winter break our poets were invited to attend the [Poetry Leadership Conference](#) January 5th at [Miami Norland Senior High](#). *Bellenda Fertil* was in attendance and returned sharing excitement for [spoken word and a video from poet "Sweetness."](#) Because of *Bellend's*

attendance STHS can compete in the [Louder Than A Bomb Poetry Slam](#).

Miss Z has registered our individuals and team of poets, "*STHS Benedictions*." Next comes more effort in terms of honing our craft; writing, collaborating and performing. We'll be meeting every Tuesday in the Career Dual Enrollment Lab, room 159 from 1:50 – 3:10P until the slam. Tentatively, our bout in LTAB is March 12 or 13th. This will be STHS' third time competing in Louder Than A Bomb Florida! Our poets will have nearly two weeks of stage presence to prepare performing during lunch; weeks February 11- 15th in honor of Black History Month and, March 4 – 8th (on all days but Wednesday (STS Testing) to gain comfort in front of an audience and refine their presentation. Please stop by and fan their flame.

Louder Than A Bomb has grown past the tri-county (now from the Keys to Jacksonville) and as a result the [Jason Taylor Foundation](#) created Virtual Showcases this year, so that many schools are able to share and network virtually. However due to STHS' schedule, we don't fit with the others. As a result, JTF has gifted us a Teaching Assistant for the second time, this time the widely recognized poet within the SoFlo Poetry Community, [Marnino Toussaint](#). He attended our club the third and fourth Tuesdays of January and has provided many valuable tips for developing our skills as individual and a team of poets.

[An e-store payment option](#) has been set up, however if cash is preferred please see our on-campus Bookkeeper Ms. Burg. All poets are expected to contribute a minimum of \$25 into our account as the entry fee for LTAB is \$200. There have also been discussions about fund raising options as well as collaborations with other clubs, i.e., Music, Step, as well as a possible talent show so that our poets gain more comfort in front of an audience. Any and all who

are interested in poetry, spoken word and lyricism are welcome to our [Spoken Word club](#).

Donations are requested and will be appreciated before mid-March... Our poets are also putting together a spoken word/poetry basket to auction off as a part of the public [Broward Education Foundation](#) event. Please feel free to contribute any and all items which may, be spoken word/poetry related; pens, pencils, notebooks, beret, coffee, tea, books, music, etc.

Darius Daughtry, Founder and Artistic Director of [Art Prevails Project](#) partnered with the [City of Sunrise](#) for “Write Your Dream: A Poetry Workshop for Teens” followed by a free screening of the [Oscar-nominated film, Black Panther](#) January 19th. Our very own [Samuel Nathan](#) attended and gained [Volunteer Service Hours](#) in addition to [And the Wall Came Tumbling](#) a collection of poetry by [Darius Daughtry](#) at the [City of Sunrise Civic Center](#).

THE ‘R’ WORD BY Roandra Landell, Senior

Fully Filtered

We live in a society where it is easy for teenagers to feel inadequate. This can relate to any category of life: school, personalities, physical appearance, skills, it is something that each person experiences differently. However, it is important for us to ensure we are always being our authentic selves. Sometimes the people we look up to or see on social media who look like they have perfect lives, aren’t showing us the “real” parts of life. Most of the times we get the filtered version where everything is peaches and cream, with rainbows all the time. But we rarely see when they, go through bad days or confused about where their life is going. Because of this, it is our responsibility to ensure we aren’t trying to be someone else or making someone else’s life ours. We should learn how to live the life we were given the best we can. And remain fully filtered from the things that don’t make us, ourselves.

18th Annual Scholarship Foundation Event

Dear Friends of [Atlantic](#), [McFatter](#) and [Sheridan Technical Colleges](#): [The Broward Technical Colleges](#) (BTC); are joining together to raise funds that will help make students' education dreams come true! Save the date of Tuesday, March 19, 2019 and be part of our Foundation Scholarship Dining Extravaganza at the [Charles F. Dodge City Center Pembroke Pines](#). One hundred percent of the dollars raised will go toward assisting students in continuing their education.

As a bonus, the event will also feature our own talented chefs and students from the Technical Colleges. Accompanying the wonderful food and wine, an extraordinary silent auction adds to the fun of this worthwhile event. Past attendees agree that “it is a fabulous event for a great cause.”

This year’s Sun & Sand themed event and get county-wide exposure. In addition to raising scholarship dollars for current students to continue their education, the intent is to attract new students to our programs.
