## A NOTE FROM ADMINISTRATION

Ms. Mary Barba, Assistant Director

Greetings STHS Stakeholders.

Before I get into what's happening in March, I want to share with you a few highlights from our February events. We hosted a phenomenal College Fair in which 56 colleges and universities came from near and far to speak with our students and parents. The visiting colleges were thrilled with the high level of academics our students are engaged in and how professional and well-spoken each student was. Our sports club started their basketball season playing both McFatter and Atlantic in friendly games after school; Individual and Dual Sports completed their bowling and golfing units; and the Debate club keeps bringing home medals. In February we hosted multiple College Tips Parent Nights where we shared important information and scholarship opportunities, including the criteria for the Florida Bright Futures Scholarship. Parents, please make sure your children are earning those service hours with a minimum goal of 100 hours by their senior year.

As we begin the month, we have our district-wide SAT Day for all Juniors (11<sup>th</sup> graders) on Wednesday, March 6<sup>th</sup>. This is the REAL deal...the true SAT, so I ask you to make sure your child gets plenty of rest the night before and takes this opportunity seriously. There is no cost to you, but the benefits will be tremendous!

Over the next several weeks, all tenth-grade students will choose their CTE programs for their junior and senior year. There are several programs to choose from and students will have the opportunity to spend time shadowing their top two choices on March 6<sup>th</sup> so they can make an informed decision. It will be an exciting day for our students!

Spirit Week is coming.... March 11<sup>th</sup> - 15<sup>th</sup> culminating with a pep rally and our Spring Dance.

March 19<sup>th</sup> and 20<sup>th</sup> students will take their Quarter 3 exams with the week ending on an early release day March 21<sup>st</sup>. Broward College will be debriefing interested students the morning of March 21<sup>st</sup>, so be sure to sign up with our BRACE Advisor, Barbara DiAlberto as soon as possible. Friday, March 22<sup>nd</sup> is a teacher planning day and Spring Break is March 25<sup>th</sup> through March 29<sup>th</sup>!

Please be aware that there are After School Review Sessions for all FSA, EOC, and AP course exams. Encourage your child to attend, as the additional review will benefit them. With school, district, and statewide exams approaching, I will share with you my concern for the increased number of student absences and tardies. Please remember that every minute, hour, or day that a child is not in the classroom, is academic time they cannot get back. School starts at 7:00 AM. sharp. and teaching begins immediately. Please assist us by helping your child arrive to school on time and give their best effort each and every day. We want to ensure that your child has been given every opportunity to succeed.

Last, but not least, parents, the [AdvancED Parent Survey is here!!](#) It is designed for each school to gather data on your perceptions, opinions and overall knowledge of various facets of this institution. We appreciate your input. The survey window opens Monday, March 4<sup>th</sup> and ends Thursday, April 4<sup>th</sup>. [Parents, please click here to complete your survey.](#)

As always, I thank you for your continued support and wish each of you a Marvelous March along with an enjoyable & safe Spring Break!

### *Saving Money For Laptops & Other Expenses*

Seniors, please be mindful that you will be returning the laptop you have borrowed and

used while a high school student back to the school. Consequently, you may wish to acquire a laptop for use after high school. Now is the time to start budgeting and saving money towards the purchase of a new laptop, and for other expenses you may experience after high school. One may also buy lower cost but fully serviceable laptops if you ensure beforehand that they will suit your needs. Many college students do fine with lower-priced Chromebooks. New [Chromebooks](#) can sometimes be purchased for as little as \$100 to \$200. You can also sometimes purchase lower-priced refurbished laptops that come with warranties.

## **JUNIORS'S MESSAGE**

### Junior Teachers;

**Ms. Nancy Barba, Mr. Jason Cogan,  
Ms. Helena Giannini &  
Ms. Bethany McAfee**

### *Dear Juniors:*

I can't believe it is March already! The second term is in full swing, and lots of things are happening here at Sheridan Tech. We've had some great field trips, including a trip to Hamilton, [the Renaissance Fair](#), and some outstanding results at our [Skills USA Regional Competition](#). But we can't let up now. Let's be extra diligent (good vocab word) until Spring Break, and then come back refreshed and ready for our final push into finals, [EOCs](#), and [AP Exams!](#)

A date that should be firmly on all our Juniors minds is March 6, our schoolwide [SAT Day](#). This is the day that we have all been working

towards, with our [Khan Academy](#) practice skills, our math assignments, and our vocabulary and reading comprehension efforts. This test is provided free of charge to all our Juniors, and is an actual SAT test that counts for college admission. We recognize all the hard work from our teachers and students, and want everybody to be prepared. Standardized tests can cause anxiety, but feel confident in your preparation. We will continue to offer SAT tutoring after the test (see schedule below) for those that want to improve their scores, but March 6 is the key date that everybody needs to be aware of.

Speaking of Spring Break (March 23 – 31), that week is a great chance to ramp up your service hours. Keep in mind that all Sheridan Tech students need 40 service hours to graduate, but even more service hours can translate into real money. As part of the [Florida Bright Futures Scholarship](#), students need 75 service hours and an 1170 SAT score to receive 75% paid college tuition, and 100 service hours and a 1290 SAT score to receive 100% paid college tuition. Students with 250 service hours receive a service cord award during graduation. So, keep these numbers in mind and get out there during Spring Break.

Other key dates in March include the week of March 11 – 15, otherwise known as Spirit Week. Stay tuned for all kinds of fun events that week, including the [semi-formal dance \(March 15, \\$20/ticket\)](#) and the schoolwide Pep Rally (the afternoon of March 15). Following a week of fun, it's time to get serious again, as midterm exams will take place March 19 and 20 with make-ups on March 21. For those who took AP classes in the Fall, AP exams take place in May, so review your notes for a minimum of an hour each week and don't miss after-school review sessions. The tutoring schedule for AP as well as other subjects is as follows:

ACT & SAT Test-Taking Strategies (Thursday)

ACT Math & Science (Tuesday & Friday)

Biology EOC, Chemistry Honors (Monday & Thursday)

Biology EOC (Saturday 5/11 and 5/18)

English FSA, Class Level English (Monday & Thursday)

English FSA (Saturday 5/11 and 5/18)

English SAT (Thursday)

Math EOC, Class Level Math (Tuesday & Thursday)

Math EOC – Algebra I & Geometry (Saturday 5/4 and 5/11)

Math SAT (Monday & Friday)

Spanish (Tuesday & Thursday)

US History EOC (Saturday 5/11 and 5/18)

AP Calculus (Thursday)

AP Computer Science, Physics (Friday)

AP English Literature (Monday)

AP Environmental Science (Monday)

AP Human Geography (Thursday)

AP Human Geography – sophomore study group (Monday)

AP US History (Monday & Tuesday)

Saturday AP Study Sessions (4/27, 5/4, 5/11) – topics to be determined

I want to give a shout-out to the Skills USA participants, and my own [BrainBowl Team](#). We came in 4<sup>th</sup> place at the 2019 SkillsUSA Regional Leadership and Skills Conference, which is good enough to head on to the State competition in Pensacola on April 7 – 10. The conference was held at [McFatter, Sheridan Main, and Sheridan West](#) on 2/5/19 - 2/6/19. Out of our 76 student competitors, 38 of them

received medals! Thank you to all the teachers who are actively involved in SkillsUSA that made this possible. Congratulations!!!

Be sure to check your Outlook e-mail daily. For one, you'll find emails from Ms. DiAlberto at the BRACE office, with valuable information on college visits, scholarships, applications, and internships. Be on the lookout for those, as well as opportunities for involvement with your very own Class of 2020.

Finally, let's keep the lines of communication open. Students – let us know how we can help you. Families – check your child's grades in [FOCUS](#) and don't hesitate to reach out to us with questions, comments, and concerns.

Once again, I am so proud to be part of the Junior Class Team. Sheridan Tech is really an amazing place!

## SOPHOMORE'S MESSAGE

[Sophomore Teachers:](#)

Ms. Maria Agudelo, Ms. Ashley Asselta,  
Mr. Jay Feinstein, Mr. Michael Fisher, Ms.  
Rita Horton, Ms. Brittney Novotny, Ms.  
Marisa Santana &  
Mr. Ruslan Tabachynsky

*Florida Standard Assessments &  
Spanish Research*

Tenth grade students are working very hard and preparing for the Florida Standards Assessment (FSA). The Writing portion of the assessment will

be held on April 9th and the Reading portion will be administered May 21st - 22nd. Students are required to score a level 3 or higher on this assessment in order to meet their high school graduation requirement. Please continue to encourage your child to attend school daily and put forth maximum effort.

The Spanish classes have been conducting research on the different Latin countries as it relates to specific areas of their culture and the interesting places to visit in those countries. As an extension of the research, students have looked to make connections between the different areas in the Latin countries and the United States. Students have conducted presentations to share their research with the rest of the class.

## FRESHMEN'S MESSAGE

Mr. Robert Decker, Ms. Renka Friedman,  
Mr. Jose Montanez, Mr. Thomas Ogden,  
Mr. Kyle Schroeder,  
Ms. Mariuxi Tinajero,  
Ms. Dineen Williams &  
Mr. Gregory Wisner

*Winter Math EOC scores*

Algebra I: 89% pass rate

Geometry: 79% pass rate

Congratulations to [Mr. Schroeder](#) and [Mr. Tabachynsky!](#)

9<sup>th</sup> grade has begun a [Khan Academy Math](#) initiative each Tuesday to help improve

school-wide math scores and prepare students for upcoming math classes. The goal is to keep Algebra I concepts and Geometry concepts fresh in the students minds so they feel prepared entering Algebra II and other advanced math classes. January's data has so far proven this initiative to be successful and we as a team are hoping this will facilitate better state tests and SAT math scores just as [NoRedInk](#) supports reading.

[FSA writing exam](#) is scheduled for April 9<sup>th</sup>, 2019.

ELA/FSA Tutoring is available for all students on Mondays and Thursday with [Ms. Horton](#) in room 122. Students who need to attend have been contacted by [Ms. Charles](#) and parent contact will continue to follow. Students who would like to attend need to pick up a transportation form from the front office.

## BRACE ADVICE

Ms. Barbara DiAlberto

BRACE Advisor

## College Application Workshop

There will be a College Application Workshop that all rising seniors are welcome to attend. We will be going over college applications and giving out information about colleges. We will also be working on resumes, applications, transcripts, and essays to make applying to college easier by the time you enter senior year. The first meeting will be on March 12 after school and further upcoming meetings will be announced after. Every junior who is interested in learning the tips and

strategies to enter a college of their dreams should sign up with Mrs. DiAlberto if interested. [Please click here to complete this survey to help us learn more about you.](#)

## Ingenious Icons

Want to be a glowing student? Check out Ingenious Icons where you'll receive exclusive tips on how to get accepted for scholarships/internships and how to attend out-of-state programs for FREE! This club is primarily for juniors because this club is to prevent YOU from undergoing more stress than needed in the upcoming year as a senior, but other grade levels are also welcomed. There will be strategies on how to easily complete scholarship applications, games regarding your career interests, and discussions about your future schools. Starting on Thursday, March 14, 2019, the club will go forth with their first meeting with the club initiator, *Michelle Hidalgo*, along with the Club Sponsor, Ms. Dialberto, from 1:45 - 3:05 PM. The location will be stated as we get closer to the meeting and the club will be active every Thursday until the school year ends. In order to attend, sign-up beforehand with Ms. Dialberto, found in room 115. In the meantime, keep up with your studies, scholars!

*Football Unites Project  
Change Scholarship*

The Miami Dolphins announced the open application period for the FOOTBALL UNITES™ Project Change Scholarship. In its second year, the program identifies one high school student each year and pays for their college tuition over a four-year period. The goal of the college scholarship is to provide financial support to students who have made a commitment to leading social progress initiatives in their communities.

Requirements for the Project Change Scholarship include:

Maintain a GPA of 3.0.

Complete at least 40 hours of community service a semester in social justice programs.

Write an essay on what change they want to see in the community and how the scholarship will achieve that change.

Accepted into a community college or university.

Application must be submitted by March 31, 2019 at 11:59 p.m. EST.

[Submit application here.](#)

*Broward Education  
Foundation Scholarship*

Seniors, last year, the Broward Education Foundation Scholarship gave 305 scholarships to students with unmet financial need. You must be a citizen or permanent resident to apply. The one application is used for many scholarship opportunities. [Please click here to apply.](#) See Ms. DiAlberto if you have any questions. She is on the BEF Committee for Broward County. The deadline is April 1, 2019.

If you would like Mrs. D to send out the paper documents needed, please give them to her by March 20, 2019. After that date, please mail them.

### *Sophomore Internship Opportunity*

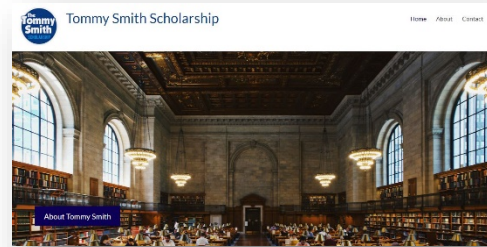

Advancing Youth Development through an Immersion Experience in STEM Education. Two Year Internship for Broward County High School Students. Students entering their Junior year in August 2018 are invited to apply for a two-year internship that will provide an opportunity to earn volunteer service hours, college credit and a stipend while advancing their knowledge in STEM education.

The program begins in the fall of 2019 and runs through May 2021 at the Museum of Discovery and Science. Students will meet at the museum a minimum of two times per month and participate in Florida Atlantic University College of Engineering and Computer Science's three week, dual-enrollment course in Summer 2019. Upon successful completion of this college level course, students will receive three semester hours of college credit.

Application Deadline is October 11, 2019. To request more information, send your contact information to [stem@mods.net](mailto:stem@mods.net)

### *Tommy Smith Scholarship*

Tommy Smith started the Tommy Smith Scholarship because he remembers how hard it was to go to college, balance a part-time job, and have a social life during his college years. This scholarship is to show students that there are people who understand all that they have to do to get an education. The scholarship is worth \$1000 and only requires a 500-word essay on a specific topic to apply.

To be eligible for the Tommy Smith Scholarship you must meet the following criteria:

- Be a high school senior that has been accepted into a college or university
- Be a current college or university student.

To enter for a chance to receive the \$1000 Tommy Smith Scholarship you will need to write an essay answering, "If you could start any business while in college or afterward what would it be and why"?

### *FSU College of Medicine Summer Institute Mini Medical School Camp*

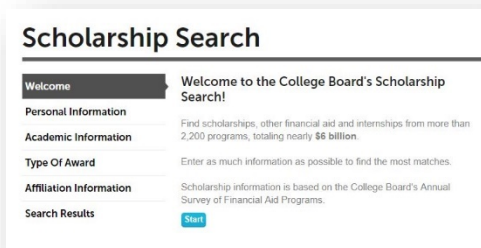

Do you have a minimum 3.0 unweighted GPA and are planning on attending FSU? Have you applied for and are eligible for financial aid? Do you have community involvement?

If you have good answers to all 3 questions, the FSU Seminole Club Scholarship is in your Outlook email. Applications must be received by March 19, 2019.

### *Opportunity Scholarships*

It's that time of year again when we here at FSU College of Medicine start gearing up for our Summer Institute mini medical school camp. Each year we are looking for approximately 60 high school sophomores or juniors interested in the field of medicine. As a means of recruitment, we are asking that you encourage your students to apply. Below you will see some of the eligibility requirements that students must have to participate.

Eligibility: The FSU College of Medicine Summer Institute is open to students who have completed their sophomore or junior year of

high school. Applicants will be selected on the following criteria:

3.3 grade point average (minimum)

Performance in college-preparatory math and science courses

Essay (500-word minimum)

Letters of recommendation from teacher and guidance counselor.

Students can apply January 18<sup>th</sup>, 2019 through March 15<sup>th</sup>, 2019. All requested information must be in our office before 5:00 PM on March 15, 2019.

### *Juniors and Seniors*

If you will be attending a college or technical college from August 2019 through the summer, 2020, you can do the 2019-2020 FAFSA for financial aid. The 2020-2021 FAFSA will be available Oct. 1., 2019. You will receive an Expected Family Contribution. The closer that number is to "0," the better off you are

financially. You won't get your financial aid package until you have been accepted to a school. The earlier you do this, the better!

Student and a parent need to get an [FSA ID](#). This is so you can sign electronically. [Please click here to apply.](#)

Seniors, if your parents haven't done FAFSA yet, help is available!! There are 3 dates in March to get expert help to finish your FAFSA. Please see attached.

Juniors, if you are planning on applying to college for summer term after high school, your parents can get help doing their FAFSA. Please see flyer at end of newsletter.

Your parents can check the [FAFSA4CASTER](#) to see approximately how much college will cost, based on their taxes.

Your parents can find out approximately how much financial aid you might receive from a college. [To learn, please click here.](#)

More information is in the BRACE Office. You may also call FAFSA at 800-433-32243.

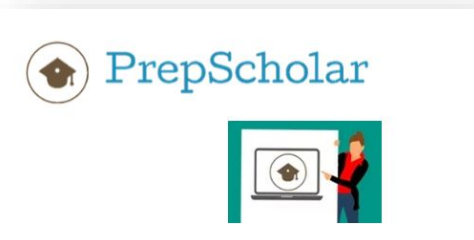

It is highly recommended that you link your account to the IRS Data Retrieval tool. More information is in the BRACE Office. You may also call FAFSA at 800-433-3243.

### *Teacher Kidnapping*

This month S.G.A. revived our Teacher Kidnapping fundraiser and, thanks to a competition that sprung up between a few teachers, we made over \$540! Mr. Montanez, the 9<sup>th</sup> grade P.E. instructor, was determined to win, even going so far as to circulate with his jar in the hallways during lunch and between classes. His efforts were successful, raising \$266

and earning him a day of luxury on Friday, February 22. He was determined to win, even going so far as to circulate with his jar in the hallways during lunch and between classes. S.G.A. members prepared a conference room in the I.L.C. especially for him, decorated in blue with nature pictures. Movies he had requested, such as Forrest Gump, were waiting for him as well as his favorite snacks. First thing on Friday morning, several lucky freshmen blindfolded Coach Montanez and tied his hands behind his back before carefully guiding him out of his classroom, accompanied by applause and the chant of, "No Fitness Test!" His students escorted him to his sanctuary, untied him and removed his blindfold. The students and Coach were impressed by how comfortable the room had been made, with the addition of comfy blankets, pillows and even a room spray of his favorite scent. Coach Montanez immediately settled in for a relaxing day.

*Who Wants To Be A Millionaire?  
Advice for Those With A Great  
Asset -- Time*

Who wants to be a millionaire? Nearly everyone! As an economics and financial literacy teacher, I will explain how becoming a millionaire is achievable, for most young people in the United States, and that, of course, includes you, dear young reader.

You have the advantage of youth. You have, statistically speaking, far more time ahead of you than your elders. That asset that you have -- lots of time -- can be put to your advantage. How? Through the "miracle" of the mathematical concept of compound growth. Specifically, over long periods of time, compound growth increases amounts exponentially. For example, the "rule of 72"

tells us, approximately, how long it will take for something to double in amount. Suppose something is growing by 6% annually. That is, every year its amount increases by 6% or, in other words, is multiplied by 1.06. The rule of 72 directs us to divide 72 by 6, and we get a quotient of 12. What that means is if something is growing at 6% annually, it will double in size in approximately 12 years. If something is growing 8% annually,  $72/8 = 9$ , so it will double in size in approximately 9 years.

The S & P 500, an index of the 500 largest publicly traded companies in the U.S., has averaged an annual return for the past 90 years of approximately 10% when dividends and capital gains are automatically reinvested. What does that mean? It means that over very long stretches of time, money invested in the S & P 500 on average has doubled in a little more than 7 years. This does not mean that any money invested is “guaranteed.” The S & P 500 does go down as it did in 2018. What this means is that over very long stretches of time it has averaged a 10% annual gain if dividends and capital gains are automatically reinvested. Indeed, in any 20-year time frame, the S & P 500 has not lost money.

So, what does a young person do with this information? How does a young person use this information to build significant wealth? By “dollar cost-averaging” into the S & P 500 every month, without fail, over long stretches of time. For example, supposing starting at age 18, you invest \$14/week, a mere \$2 per day, into the S & P 500 in a tax-deductible and tax-deferred Individual Retirement Account (IRA), and that you do this \$2/day, about \$60/month, for 50 years until you’re 68 years old. And suppose the S & P 500 averages an annual return of 10% for those 50 years, just as it has for the previous 90 years. The money in your investment account would total \$1,054,376.00. [Please click here to view an online investment calculator.](#)

You can use the investment calculator to predict how much you’ll accumulate using different amounts you invest, different lengths of time you’re investing, or different rates of return. There are brokerage firms, e.g., Fidelity, that offer index funds for the S & P 500 with no fees, no annual costs, and no minimum investments. If you have a bank account you have money from your bank account regularly deposit money into your investment account. You can get rich, but it takes time, and that’s one thing you as a young person has -- time!

*18<sup>th</sup> Annual  
Scholarship Foundation Event*

Dear Friends of [Atlantic, McFatter and Sheridan Technical Colleges: The Broward Technical Colleges \(BTC\)](#); are joining together to raise funds that will help make students' education dreams come true! Save the date of Tuesday, March 19, 2019 and be part of our

Foundation Scholarship Dining Extravaganza at the [Charles F. Dodge City Center Pembroke Pines](#). One hundred percent of the dollars raised will go toward assisting students in continuing their education.

Building on our extraordinary success over the past eighteen years, the event will be a Wine and Dine Extravaganza showcasing signature dishes from local restaurants and caterers. As a bonus, the event will also feature our own talented chefs and students from the Technical Colleges. Accompanying the wonderful food and wine, an extraordinary silent auction adds to the fun of this worthwhile event. Past attendees agree that “it is a fabulous event for a great cause.”

This year’s Sun & Sand themed event and get county-wide exposure. In addition to raising scholarship dollars for current students to continue their education, the intent is to attract new students to our programs. BTC offers over 80 programs in the following areas: Adult Education, Apprenticeships, Architecture & Engineering, Arts, A/V Technology & Communications, Automotive Technology, Building Trades, Business Technology & Administration, Commercial Vehicle Driving, Construction, Cosmetology, Culinary Arts, Education, Emergency Medical Technician (EMT), Fire Science, Health Sciences, Hospitality & Tourism, Human Services, Information Technology, Manufacturing, Marine Technology, Marketing, Spa Services, Transportation, Distribution & Logistics.

## How to Beat Procrastination and Get Stuff Done!

Improve Your Study Habits

### Start Small

Getting started is the hardest part! To kick procrastination in the butt, try breaking down the task at hand into smaller, bite-sized pieces, and then dive into the first one of the smaller pieces right away.

For example, if you have two weeks to study for an upcoming exam, break the prep work into hour-long chunks, and focus on a specific topic during each of the hour-long chunks.

Start small with bite sizes of the work, and you will feel less overwhelmed by the entire project.

### It Doesn't Have to be Perfect

It's okay to make mistakes, and your work doesn't need to be perfect! The truth is, no one's first try at an assignment or project will be perfect, and it's better to get started early and finish your work than it is to fret over creating something flawless! Remember that everyone procrastinates from time to time, and you're not alone!

### Minimize Distraction

In order to avoid the task at hand, you may find yourself giving in easily to distraction — like replying to your friend who keeps texting you, scrolling Instagram, or playing just 15 more minutes of Fortnite!

Set aside time during your school days and weekends that is specifically dedicated to schoolwork. Try turning off your phone or notifications during that designated work time. If you're in a distracting environment, head to a quiet, productive space like the library.

### Rely on an Accountability Buddy

We all need a little support to achieve our goals. A great way to set a goal and stick to it is to enlist the help of an accountability buddy or procrastination buster.

Let a friend know what you're hoping to accomplish for the week (like finishing your math homework or practicing your vocabulary flashcards) and ask them to check in with you to make sure you're on task. You can return the favor by doing the same for them! Real friends help friends stop procrastinating!

### Stick to a Work Plan

Once you've broken down your work into key tasks it's time to create a work plan. Creating and sticking to a work plan is a great way to stay organized and make sure you don't fall behind on your assignment or exam prep.

Remember, sleep, rest and play are also very important! Your work will be better if you're rested!

## Free Application for Federal Student Aid (FAFSA)

---

The Free Application for Federal Student Aid (FAFSA) is used to apply for federal student aid, such as federal grants, work-study, and loans. Completing and submitting the FAFSA is free and easier than ever, and it gives you access to the largest source of financial aid to pay for college or career school.

**HIGH SCHOOL COUNSELORS & BRACE ADVISORS WILL BE ON SITE TO ASSIST PARENTS AND STUDENTS WITH COMPLETING THE FAFSA APPLICATION FOR COLLEGE**

For more information, call (754) 321-1675 or go to [www.browardschools.com/FAFSA](http://www.browardschools.com/FAFSA)

Parents and Students can attend any one of the FAFSA events listed below. What to bring....

1. Student & parent(s) social security numbers
2. Parent(s) drivers' license number
3. Student and parent(s) 2017 tax records
4. Student and parent(s) records of assets. This includes savings and checking account balances, as well as the value of investments such as stocks and bonds and real estate (except the home in which your family lives)
5. List of schools you are interested in attending.
