**Charles Drew Tiger Cubs and Parents**, we are wishing you all a **Happy New Year!** Last year continued to be challenging for all of us as COVID-19 directed our moves. This year we continue to be safe, and we are more focused on excellence in all we do.

This month we celebrate the dynamic leader, Dr. Martin Luther King, Jr. He had a "Dream", and we believe that all people have a "Dream" that should be recognized and achieved. The staff at Drew is here to help our children "Dream" and to set the foundation for them to achieve whatever they strive to be. Encouraging and motivating all scholars are important to us, and it is an important part of Charles Drew. We are challenging all members of our learning community to motivate and encourage someone each and every day. We stress kindness, brotherly love, and respect for self and others each day. As we enter this new year, we want everyone to remember to celebrate successes and to learn from mistakes and missteps. We are committed to work together to achieve excellence in everything we do, as Dr. King stressed.

We are also excited to begin our Crunch Time Season. We are emphasizing an accelerated season of learning. We are dedicated to increase learning and progress in all content areas at rapid speed. We need students to be focused and parents to support us in ensuring that students are in attendance each day. We also need your support with motivating and encouraging your child to attend each opportunity to receive additional assistance before and after school. Every day and every opportunity Counts!

As always, we are grateful that we are serving you as we strive to achieve excellence" by exhibiting respect, love, and kindness.

Sincerely,

**Mrs. Kicia Daniel, Proud Principal**

## A DISPLAY OF SPECIAL TALENT

We are grateful to Coach Campbell for discovering several talented students to display talent during the Holiday Season. We were pleased to see our students showcase their talent to kick off the Winter Break. Also, Ms. Thompson and Ms. Cunningham did a phenomenal job decorating the cafeteria and media center. Several staff members contributed their talents to our Holiday events.

## Christmas Extravaganza

Tiger Cubs received shoes, books, gifts and food during our terrific event that highlighted each content of learning. *Candy Cane Lane* explored math games and the science of learning; *Reading with Elves* was an area of storytelling and reading activities; *Santa's Workshop* had a visit with Santa, BOBS shoes, gifts, and ornament decorating! All partners and guest exclaimed that they had a terrific time! We had special visitors School Board Member, Mrs. Nora Rupert, Dr. Lori Canning, David Watkins, and members of Mentoring Tomorrow's Leaders to name a few. Our partners in education BCPS-Equity & Diversity/Family And Community Engagement, Soles 4 Souls, Children Services Council, SKETCHERS, Shoe Carnival, Broward County Library, Carrabba's, and JM Lighting supported the event with love and excellence. We are delighted to have such "tiger-riffic" partners!
