Traffic Alert:

Parents are required to adhere to the following guidance in the car loop. It is expected that everyone will cooperate with the directions of our staff to keep our children safe and traffic flowing.

1. **DO NOT** exit your vehicle at any time. Staff will assist students into the vehicle.

2. Have your student seated on the rear passenger side to facilitate exit and entry.
3. Do not call children into traffic or to cross traffic.
4. Only enter the loop as you drive west on Middle River Drive.

Thank you for helping to keep our students safe.

CogAt:

Greetings Parents and Guardians of 2nd and 3rd Grade Students!

Next week, our 2nd grade in-person students will be participating in the Cognitive Abilities Test (the CogAT) on March 2nd, 3rd, and 4th. Earlier in the school year, in December, 3rd grade students who were attending school in-person were administered the assessment.

The following week, on March 10th, 11th, and 12th, 3rd grade students who were not previously on campus, but who are now attending face-to-face, will be administered the CogAt. In addition, all virtual students in 2nd or 3rd grade will be invited in to participate in this assessment on these dates. If your child is virtual, please anticipate a phone call with this invitation.

ALL students will NEED HEADPHONES to participate in the CogAt. Please ensure that your children have working headphones daily.

The CogAt is a Cognitive Abilities Test that looks at skills which tie into successful learning and problem-solving. It consists of three tests: Verbal, Quantitative, and Nonverbal. Broward Schools uses this assessment as a Gifted Screener and uses it for placement of students. A score report will be sent home a few weeks after the assessment.

Thank you, as always, for your support.

Available Mondays-Thursdays on School Days!

Rave Reviews for Ask BRIA

"To me, this is the absolute best version of tutoring possible during these unprecedented times. It highlights how our district is coming together to help our students the best way we know how."

Literacy Coach Melissa Cabrera

"When I heard about Ask BRIA I didn't want to join because I thought I'd be seen as dumb. I thought "why would someone need help with homework if they're smart?" I was having trouble with my Algebra 1 Honors course, so I joined the 8th grade math Teams meeting. I was skeptical at first, but the teacher helped me with the problem I was having and even called me smart for catching on quick. My experience with Ask BRIA was great! I recommend it – it's a ten out of ten!"

Middle School Student, Justin E.

"I think it's awesome that BCPS is offering a free tutoring service...It's giving kids quick and easy access to get help at the click of a button after school if they find they're really struggling with the day's lesson."

High School Senior William B.

Attendance Policy 5.5 – Revised

Newly adopted language begins under Section VIII on page 9. The amended language for paragraph A. 2. reads as follows:

2. During distance learning, the use of student cameras is required for attendance and instruction. Students will be counted in attendance in the learning environment during their scheduled class time. Teachers should be flexible and consider any extenuating circumstances of individual students who may be unable to turn on a camera. Teachers may consider other evidence of attendance for individual cases.

The School Board's decision to require camera usage by students was based on feedback from students, teachers, administrators, and other employees from an Attendance Survey that was conducted between Nov. 6 – 16, 2020. Results from the survey revealed that 75% of the School-based administrators who responded and 69% of teachers who responded support requiring cameras for attendance. School Board members unanimously agreed the policy should require students to turn on their cameras during attendance and direct instruction.

School Success Reminders:

Sign into your class meeting by 8:00 a.m. each morning.

Use the class chat only for communicating with the teacher or about the lessons.

Attendance in specials is required, just as if everyone was in the building. Students who do not participate or keep their cameras on for teachers to observe and assess will receive grades of 3.

Our school requirement for iReady practice is 2 reading lessons and 2 math lessons per week. That's only one per day. We require 80% or higher as a passing score.

Each student is expected to read at least 30 minutes per night. They can read to themselves, to a family member/pet/stuffed friend! Just read!
