Reflections:

Saturday, September 29th from 1:00-3:00pm in the Bayview Elementary Cafeteria

Reflections is a National PTA Art Contest and Bayview Elementary PTA is sponsoring an afternoon of art to help your students prepare! Each year hundreds of thousands of students in preschool through grade 12 create and submit original works in the areas of dance choreography, film production, literature, music composition, photography and visual arts. Bayview students may participate in the national awards program through our PTA. The 2018-2019 theme "Heroes Around Me" should spark imagination and creativity in school and at home. Encourage your children to imagine, create and celebrate with art and participate in the Reflections Art Contest. You do not have to attend "Art in the Afternoon" to participate however, we encourage you to bring your children to learn the specifics of the program, pick up the forms to enter, and there will be art supplies available for use during the "Art in the Afternoon" event. If you have any questions feel free to check out the Reflections website at <https://floridapta.org/reflections-art-program/> or contact the Bayview Elementary PTA Art Committee Chair- Lori Franke at

Forward To A Friend

Once upon a time, in a land far, far away, there was a school by the bay that was filled with many princes and princesses. They loved their school, their teachers, learning, and their friends. However, their all-time favorite activity was reading. One evening, the Queen summoned them to report to school at night to hear very important news. All the children quickly prepared and anxiously waited to hear from the Queen. She arrived with a smile that lit up her face and proudly announced, "Hello everyone! I have wonderful news to share..."

For Dayle:

On April 12, 2018, Dayle Louwrens, a Bayview mom, was struck by a SUV while on her morning run. Dayle is a single mom of 9 year old twins.

Needless to say her life and children's lives have been impacted dramatically. While Dayle fights daily to re-train herself to speak, walk and rebuild her life again we want to support her as a community.

Please join us and bring your friends on Friday, October 19, 2018.

Art Enrichment Program

Meet the Masters

"Meet the Masters" is a volunteer Art History and Art Appreciation program intended to introduce children with the world of art- and we need parent volunteers for each classroom. "Meet the Masters" increases interest in art by exposing children to selected prints (approved by the Broward School Board) and is facilitated by parent volunteers who have an enthusiasm for bringing fine art to the students. Volunteers schedule with their assigned teacher to come into the classroom and make presentations on the lives and works of 2 master artists. If the teacher allows you can even follow your presentation with an art project to engage the students to practice what they learned. These presentations, using reproductions of the artists' works, usually last about 30 minutes to one hour depending on the amount of time the teacher allows. You can use large posters provided or use the prints available on line to show in the classroom. "Meet the Masters" promotes an awareness of arts in our community and is a great way to watch firsthand how it impacts students in the classroom. Please contact Lori Franke at loridefranco@aol.com if you have any questions or if you are interested to volunteer for your child's classroom.

Photo Identification:

Parents:

Please be advised that EVERYONE must show picture identification when entering the office for any transaction. This includes, but is not limited to, signing a child out, conferences, meetings, to collect paperwork, and volunteer opportunities. Thank you in advance for cooperating with our office staff to keep our school safe.

Peanut/Nut Allergies:

We currently have students at the school with severe peanut/nut allergies. It is important that there is a strict avoidance to this food in order to prevent a life threatening allergic reaction. We are asking your help to provide the

students with a safe school environment. To reduce the chance of this occurring we ask that you do not send any peanut or nut containing products to school with your child. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been washed thoroughly before entering school.

School Lunch:

Per district policy and federal regulations, students are only allowed one charged meal per year. Our school will not provide a charge account backup. Parents may put money in student accounts in person before 8 am on school days or online via our website.

If you need assistance completing an application for free or reduced lunch please contact the front office at 754-322-5400.

Join Our PTA:

PTA wants you!

We encourage you to become a member of Bayview's PTA. The saying is true, "There is strength in numbers!" For just \$10 per member you will be helping your child, your child's teacher and our school. PTA assists in so many ways to make our school an incredible place to learn and grow. You can have as much or as little involvement as you can. Can only volunteer once this school year? That's ok. Can't make it all the meetings? That's ok, too! Your funds go a long way. Please consider joining our incredible

organization of even more incredible teachers, parents, staff and community members.

If you have not joined our PTA yet please visit BayviewPTA.org to do so or send in the membership form that came home in the first day packet along with a check (\$10 per adult).

Please contact Miss Katsikas with any further questions.
