Photo Identification:

Parents:

Please be advised that EVERYONE must show picture identification when entering the office for any transaction. This includes, but is not limited to, signing a child out, conferences, meetings, to collect paperwork, and volunteer opportunities. Thank you in advance for cooperating with our office staff to keep our school safe.

Student Identification Badges:

Students were issued permanent identification badges today. All student badges will remain at school. Please note that if a student's badge needs to be replaced there will be a \$5.00 replacement fee.

Peanut/Nut Allergies:

We currently have students at the school with severe peanut/nut allergies.

It is important that there is a strict avoidance to this food in order to prevent a life threatening allergic reaction. We are asking your help to provide the students with a safe school environment. To reduce the chance of this occurring we ask that you do not send any peanut or nut containing products to school with your child. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been washed thoroughly before entering school.

School Lunch:

Per district policy and federal regulations, students are only allowed one charged meal per year. Our school will not provide a charge account backup. Parents may put money in student accounts in person before 8 am on school days or online via our website.

If you need assistance completing an application for free or reduced lunch please contact the front office at 754-322-5400.

School Safety:

We ask that everyone be cooperative with staff as we work to maximize our security and traffic procedures.

Please adhere to the following procedures:

- Please make sure your child and their teacher know how they're going home daily, starting on the first day of school.
- Enter and exit through the front office only for all visits. To account for everyone on campus, we need everyone to sign in AND out through the office at every visit.
- All identification badges must be worn on the upper body so that staff can easily determine who has been cleared through the office.
- Do not ask students or staff to open side doors or gates.
- Do not exit vehicles in the car loop during arrival or dismissal.
- Be friendly but do not engage staff in conversations during arrival

- Be friendly but do not engage staff in conversations during arrival and dismissal. They are working to supervise their assigned areas.
