Observance of  
Presidents Day  
Monday, February 15th

Happy Valentines to everyone! We hope that you all will enjoy a long, safe weekend as you celebrate Valentine's Day on Sunday and Presidents' Day on Monday. Use this extra time to have a follow-up conversation with your children regarding the topics of kindness and respect on which we focused this week. Those topics are an integral part of a peaceful society, and foundational to our students' growth as responsible, productive citizens.

As we continue to expand the minds and hearts of our students, we are continuously vigilant of safety and security. Our school recently had two thorough inspections. The Florida Department of Health spent several hours walking every area of our campus to make sure are in a

healthy environment. The Florida Department of Education also spent several hours interviewing staff and walking our campus to ensure that we employ the required security measures. I am pleased to report that our school did well on both assessments! Corrective actions include ensuring locking away extra quantities of anti-bacterial wipes and extra hand sanitizer; keeping receipts of our monthly pest control service; keeping lower-level first floor shutters closed; and increased promotion of FortifyFlorida. FortifyFlorida is an app that can be used on anyone's cell phone and is on the Clever launch page of every student that allows anyone to anonymously report safety or security concerns. Look for the logo on the top of this newsletter and on our website.

Help me appreciate our entire staff (instructional and non-instructional) for their efforts to take care of our students with a huge THANK YOU when you drive by!

### Rave Reviews for Ask BRIA

"To me, this is the absolute best version of tutoring possible during these unprecedented times. It highlights how our district is coming together to help our students the best way we know how."

*Literacy Coach Melissa Cabrera*

"When I heard about Ask BRIA I didn't want to join because I thought I'd be seen as dumb. I thought "why would someone need help with homework if they're smart?" I was having trouble with my Algebra 1 Honors course, so I joined the 8th grade math Teams meeting. I was skeptical at first, but the teacher helped me with the problem I was having and even called me smart for catching on quick. My experience with Ask BRIA was great! I recommend it – it's a ten out of ten!"

*Middle School Student, Justin E.*

"I think it's awesome that BCPS is offering a free tutoring service...It's giving kids quick and easy access to get help at the click of a button after school if they find they're really struggling with the day's lesson."

*High School Senior William B.*

The School Board of Broward County, Florida, prohibits any policy or procedure which results in discrimination on the basis of age, color, disability, gender identity, gender expression, genetic information, marital status, national origin, race, religion, sex or sexual orientation. The School Board also provides equal access to the Boy Scouts and other designated youth groups. Individuals who wish to file a discrimination and/or harassment complaint may call the Director, Equal Educational Opportunities/ADA Compliance Department & District's Equity Coordinator/Title IX Coordinator at 754-321-2150 or Teletype Machine (TTY) 754-321-2158. ## Attendance Policy 5.5 – Revised

Newly adopted language begins under Section VIII on page 9. The amended language for paragraph A. 2. reads as follows:

2. During distance learning, the use of student cameras is required for attendance and instruction. Students will be counted in attendance in the learning environment during their scheduled class time. Teachers should be flexible and consider any extenuating circumstances of individual students who may be unable to turn on a camera. Teachers may consider other evidence of attendance for individual cases.

The School Board's decision to require camera usage by students was based on feedback from students, teachers, administrators, and other employees from an Attendance Survey that was conducted between Nov. 6 – 16, 2020. Results from the survey revealed that 75% of the School-based administrators who responded and 69% of teachers who responded support requiring cameras for attendance. School Board members unanimously agreed the policy should require students to turn on their cameras during attendance and direct instruction.

---

### **School Success Reminders:**

Sign into your class meeting by 8:00 a.m. each morning.

Use the class chat only for communicating with the teacher or about the lessons.

Attendance in specials is required, just as if everyone was in the building. Students who do not participate or keep their cameras on for teachers to observe and assess will receive grades of 3.

Our school requirement for iReady practice is 2 reading lessons and 2 math lessons per week. That's only one per day. We require 80% or higher as a passing score.

Each student is expected to read at least 30 minutes per night. They can read to themselves, to a family member/pet/stuffed friend! Just read!
