Attendance Policy 5.5 – Revised

Newly adopted language begins under Section VIII on page 9. The amended language for paragraph A. 2. reads as follows:

2. During distance learning, the use of student cameras is required for attendance and instruction. Students will be counted in attendance in the learning environment during their scheduled class time. Teachers should be flexible and consider any extenuating circumstances of individual students who may be unable to turn on a camera. Teachers may consider other evidence of attendance for individual cases.

The School Board's decision to require camera usage by students was based on feedback from students, teachers, administrators, and other employees from an Attendance Survey that was conducted between Nov. 6 – 16, 2020. Results from the survey revealed that 75% of the School-based administrators who responded and 69% of teachers who responded support requiring cameras for attendance. School Board members unanimously agreed the policy should require students to turn on their cameras during attendance and direct instruction.

School Success Reminders:

Sign into your class meeting by 8:00 a.m. each morning.

Use the class chat only for communicating with the teacher or about the lessons.

Attendance in specials is required, just as if everyone was in the building. Students who do not participate or keep their cameras on for teachers to observe and assess will receive grades of 3.

Our school requirement for iReady practice is 2 reading lessons and 2 math lessons per week. That's only one per day. We require 80% or higher as a passing score.

Each student is expected to read at least 30 minutes per night. They can read to themselves, to a family member/pet/stuffed friend! Just read!

5th Grade Enrichment

5th Grade Enrichment Sponsors Needed!!

5th grade is the students' final year at Bayview Elementary. Every year the 5th grade teachers and 5th grade enrichment team make this year special in many ways and we will not let COVID stop that from happening for the Class of 2021!

Why do we need to raise money in 5th grade? Where does the money go?

- Yearbooks - We want to ensure that ALL 5th grade students get a yearbook – \$2,000
- T-shirts – Each student will receive a 5th grade t-shirt with all the students' names listed – \$700
- Tile wall - Every 5th grade class has a dedicated and permanent tile wall at the school – \$700
- End of year festivities – in the past it has been a party with lots of food and fun including a photo booth and DJ. Not sure what this year will bring but we will work to have some sort of celebration – \$1,500
- If we have any funds left over each class leaves the school a legacy gift. It could be an engraved bench, a memorial plaque, etc.

You or your company can help us make this an amazing and memorable year for our kids!!
