

Panther Pastimes Clubs Are Back!

Please join us for our Spring 2022 session of Panther Pastimes! Stay after school with our teachers to experience a club filled with fun and extended learning!

**Garden Party (2-5)
with Ms. Sutton**

Join us for the Garden Party! In this club, students in grades 2-5 will work on Parkside's beautiful butterfly garden! The children will have the opportunity to learn all about taking care of plants and flowers and how to keep a garden looking great as they beautify our campus. They will also learn what it takes to plant a butterfly garden at home!

**Books and Cooks (K-2 and 3-5)
with Ms. Danner & Ms. Pryor**

Enhance story time with fun in the "kitchen" with our Books and Cooks club. They will discover new books and embark on reading recipes, making, and designing different food items that complement the story. It will be an experience like no other and we can't wait for you to join us!

**Too Fit to Quit (2-5)
with Mr. Garfield**

Now's your chance to get that adrenalin moving; get those legs working; and shape those mini-muscles into tools of health. Bring a hand towel and a bottle of water, and make sure to wear athletic shoes. Don't fret...you will have fun while you sweat!

**Let's Salsa- Bailemos Salsa (K-3)
with Ms. Gil-Enriquez**

Dancing burns calories, builds strong bones and flexibility, and teaches children how to interact with one another with respect. It's great for building self-confidence and it's a lot of fun! If you learn to dance, you'll be the life of the party!

**Clay Creations and More (3-5)
with Ms. Mastrianni**

Students will learn art techniques to create 3D projects in clay and various art mediums. Students will bring their ideas to life through sculpture. Just imagine what your imagination can create!

**Club de Español (3-5)
with Ms. Collado**

Have you ever thought... "My Spanish is not very good looking"? Celia Cruz used to say, "My English is not very good looking" Well, problem solved! Come join Mrs. Collado for some afterschool fun and dive right into Spanish! Let's fiesta like there is no mañana!

**Ready, Set, Draw (3-5)
With Ms. Babcock**

Ms. Babcock will guide students through drawing a variety of items using step by step instruction videos. At the end of the club, each student will take home a sketchbook filled with their masterpieces! Club members will select what we draw 😊.
